Horoscope by Frances Drake

For Thursday, May 13, 1999

ARIES (March 21 to April 19)
If it seems as though someone wishes to pull away from you, holding on too tightly certainly won't help. Give him or her distance and time to miss you.

TAURUS (April 20 to May 20)
Be sure to have a backup plan on hand, as your original intentions may backfire. Someone is waiting in the wings to lend a hand.

GEMINI (May 21 to June 20)
You receive a flashing burst of inspiration and energy from an unexpected source. Try to work with others rather than competing.

CANCER (June 21 to July 22)
A difference in values is likely to cause some friction, possibly in the workplace. Speak your mind, but don't hammer the point home.

LEO (July 23 to Aug. 22)
The next big lesson that you need to learn is likely to present itself quite soon. Make sure that you're clear-headed and ready for it.

VIRGO (Aug. 23 to Sept. 22)
While overindulging may be a lot of fun, make sure that it's not playing havoc with your health. Remember that sometimes it's OK to be selfish.

LIBRA (Sept. 23 to Oct. 22)
Attend to the minor tasks and duties and your mind will feel a whole lot clearer. Put a relationship on the path to repair with some constructive dialogue.

SCORPIO (Oct. 23 to Nov. 21)
Make sure that you're looking after your health during a stressful period. A white lie could have unexpected effects if you're not careful!

SAGITTARIUS (Nov. 22 to Dec. 21)
Romance fills the air no matter what you do, so why not just surrender? Your fears stem from ancient history and will prove to be inconsequential.

CAPRICORN (Dec. 22 to Jan. 19)
Do your best not to dwell on something that you cannot have. It is likely that in the process of doing so you are neglecting things which are far more important.

AQUARIUS (Jan. 20 to Feb. 18)
Sometimes the line between love and hate can be surprisingly thin. Try not to take out your frustrations on those closest to you.

PISCES (Feb. 19 to March 20)
Expect a good deed done to be returned and act accordingly. Someone may misread your signals, so be sure that you're not sending mixed messages.

YOU BORN TODAY Flamboyant and flirtatious by nature, sexy is probably your middle name. You love to live life to the fullest and engage others in your many wacky adventures. However, you may not make yourself completely available to people when they need a shoulder to cry on.
