Sports Brief

Villegas only Duck chosen as a preseason All-American by Football News magazine

Nathan Villegas, Oregon's standout placekicker, was selected as a second-team preseason All-American pick by the Football News, according to the Miami-based publication.

Last year, after he set the Ducks' single-season record with 117 points, Villegas was one of three finalists for the Lou Groza award, awarded annually to the top collegiate kicker in the nation. His point total also led the Pacific-10 Conference.

Villegas is one of only seven players in the Pac-10 to be honored on of the magazine's two All-America teams, and he

was the only Oregon player mentioned among the magazine's preseason all-conference picks.

A transfer from Citrus Junior College, Villegas finished last season having connected on 20 of 22 field goals, in addition to a perfect record on all 57 of his PAT attempts. His performance placed him in a tie for seventh in the country for field goals made per game, and ranked him eighth nationally in scoring, with an average of 10.2 points per game.

He was a first-team Pac-10 pick and a third-team All-America choice last season.

Horoscope by Frances Drake

For Tuesday, June 29, 1999
ARIES
(March 21 to April 19)
 Deep down, you have the ability to see a situation through even if you have your doubts. The more that you struggle, the greater the feeling when you finally reach your goal.
TAURUS
(April 20 to May 20)
 Plans firm up and the systems that you have put in place become solid ground to stand on. The mechanisms are in place to achieve amazing things.
GEMINI
(May 21 to June 20)
 The currents are running faster underneath the water than they are on the surface. Be wary of plunging in naively and getting swept out to sea.
CANCER
(June 21 to July 22)
 Something that you have been shelving needs to be brought to the forefront of your attention. Make sure that you don't remove the bookends when you pick the title for required reading.
LEO
(July 23 to Aug. 22)
 Your arrogance may get the best of you before you even realize that it has overtaken your actions. Others might clue you in without using subtlety.
VIRGO
(Aug. 23 to Sept. 22)
 Your creativity lifts your head into clouds that you have never seen before. The shapes that they form when viewed from the ground take your imagination to a new level.
LIBRA
(Sept. 23 to Oct. 22)
 The balance at home may not be even. As you try to level the scales, they could tip to favor one side of an issue over the other. Be wary of anyone

who tries to fix the weight.
SCORPIO
(Oct. 23 to Nov. 21)
 Your beautiful morning turns into quite a beautiful day. Everything seems to be going your way, and an authority figure is front and center in your cheering section.
SAGITTARIUS
(Nov. 22 to Dec. 21)
 Pinch your pennies rather than worrying about pinching any inches. Your worth is not measured in material quantities, but the attention you give them can result in the cushion that you need.
CAPRICORN
(Dec. 22 to Jan. 19)
 Your sensitivity to beauty opens your eyes and allows you to discover a whole new world within your existing one. You are a pioneer and an explorer all wrapped into one.
AQUARIUS
(Jan. 20 to Feb. 18)
 All that occurs raises questions in your mind. Your thoughts are racing in an effort to determine the ultimate answers. You learn more from the journey than the actual destination.
PISCES
(Feb. 19 to March 20)
 Pick a point person to be the lead for your group. Decisions can still be made diplomatically, but now you'll have a place to turn to when it is most needed.
YOUNG BORN TODAY Embarking on a sentimental journey may be a frequent activity for you. When everyone else is thinking about what to pack, you have already set sail with the perfect ensemble. Your sense of history strengthens your sense of self as you move forward.
 Birthdate of: Dr. William Mayo, physician; Oriana Fallaci, photojournalist; Slim Pickens, actor.
