## JIM WHITTAKER ON THE EDGE

Tuesday, October 26th  
Jim Whittaker  
*Life on the Edge*  
7:30 P.M.  
150 Columbia Hall, UO

The first American to summit Mt. Everest in 1963, Jim Whittaker details his exciting career as adventurer, mountaineer and business person in *Life on the Edge*. Don't miss this lively and interesting event!

## CLEMENS STARCK READS RED

Thursday, November 4th  
Poet Clemens Starck  
*Studying Russian on Company Time*  
7:30 P.M.  
Knight Library Browsing Room

Winner of the Oregon Book Award, poet Clem Starck from Corvallis will be with us to read from his latest book of poetry, *Studying Russian on Company Time*. He recounts, in verse and prose, his obsession with Russia and the Russian language.

This Saturday, October 23rd  
2:00-4:00 P.M.

### Airbrush

with Richard Ahlstrom

You won't want to miss this hands-on airbrush painting session with instructor Richard Ahlstrom who has traveled the state teaching airbrush. He will demonstrate the technique of creating a reverse silhouette using objects from nature, and involve you in actually using an airbrush to create unique art. (Downstairs in Art and Class Supplies)

20% Off Airbrush Paints & Mediums on Saturday, Oct 23rd Only!

### GAMES

**Baldur's Gate™** takes you back the Forgotten Realms® campaign setting on a visually dazzling roleplaying adventure, one that brings to life the grand tradition of the **Advanced Dungeons & Dragons®** game through cutting edge art and technology. Immerse yourself in this quintessential medieval fantasy world, where nations hang in the balance of your actions, dark prophecies test your resolve, and heroic dreams can be fulfilled at last.

**Connectix Virtual Game Station** for G3 Macintosh systems (including iMac™ and Powerbooks™) will let you play many popular **PlayStation®** games on your Mac. One easy-to-use application—pop PlayStation games into your G3 computer's CD player—no additional hardware or PlayStation required.

**Descent™ 3**—the long-awaited sequel to the #1 hit **Descent** brings more pulse-pounding action than ever before. Test your piloting skills against an army of battle-drones and assault-bots using heavy firepower as the plot twists and turns with each daring mission.

**Starship Titanic**—a new adventure game from Douglas Adams, the creator of *The Hitchhiker's Guide to the Galaxy*. An advanced civilization at the heart of our galaxy has built the biggest, most beautiful starship ever, and you end up aboard, stranded. Can you solve a series of increasingly bizarre and surreal puzzles, unlock the central mystery and return to earth—and keep your sanity?!

Hi, I'm  
**LOUIS!**

Louis' goofy. (he agrees about this)! His place of origin is Prineville. He is fond of 1980's pop tunes and is studying computer science at the U of O. If you need electronic stuff—see him!

Hi, I'm  
**DOUG!**

Doug is a music aficionado from Kansas City, MISSOURI. (That's not Kansas, Dorothy)... He orders all our Apple Products, and is often blamed for problems he did not create! Doug's cat's name is BOZO.

Hi, I'm  
**JOHN!**

From Roseville, CA, John has a degree in graphic design and is a demon with computer output. He is also a GIANT Macintosh fan—MUCH more than Steve Jobs and those other Mac guys down in Sunnyvale.

Hi, I'm  
**CURTIS!**

A high-octane worker, Curtis seems calm even when he is not. Curtis orders all our PC's and at least 80% of the products in electronics. His hometown is beautiful Buhl, Idaho.

Hi, I'm  
**GARY!**

Gary's an apple authorized service technician and he owns a dozen Mac CX's that don't work. He hails from the Bay Area. The other guys say he tends to wax philosophical... Stop in when you have some time...
