Horoscope by Linda C. Black

TODAY'S BIRTHDAY (Oct. 25). A partner is the key to your success. Choose the right one. You're shrewd in November; make plans then. Ask for an outrageous amount in December. Learn voraciously in January and make the impossible happen in February. Let your partner lead the way in May. Provide support in August. Friendship turns into love in September.

To get the advantage, check the day's rating: 10 is the easiest day, 0 the most challenging.

ARIES (March 21-April 19) — Today is a 4 — How are you going to get the money? Talk to a friend. The advice you get, especially the stuff you don't want to hear, could make all the difference. Follow the advice of a person who knows what he or she is talking about.

TAURUS (April 20-May 20) — Today is an 8 — You're strong, and that's good. You've got some serious issues to deal with now. You'll be more effective if you have a strong partner. People who love you are important, too. Let them know you appreciate them.

GEMINI (May 21-June 21) — Today is a 6 — You'll be busier than you believed possible. No more goofing around. You thought you'd be further along with your project than you are, through no fault of your own. No more procrastination!

CANCER (June 22-July 22) — Today is an 8 — Today the dilemma is between your private and public lives. Who's going to get your limited time and energy? You can figure it out once you calm down. Do what always works and follow your heart.

LEO (July 23-Aug. 22) — Today is a 4 — You're up against it again. Every door that you try to open is locked. You can open them up again, and the magic words have to do with the bottom line. Where did the money go? Once you know that, the path to take will become obvious.

VIRGO (Aug. 23-Sept. 22) — Today is an 8 — You're asked to choose between two nice possibilities. Which one works best for you?

Can you have both? Set priorities first, so you don't waste a lot of time. If you waste time, you'll get neither!

LIBRA (Sept. 23-Oct. 23) — Today is a 5 — Money is the focus again. This could be painful. There's not enough to go around. How will you get it and when? Ask somebody who's good at this to help you out. That's time and money well spent. There's a happy ending, so relax.

SCORPIO (Oct. 24-Nov. 21) — Today is an 8 — You're strong, but you're also up against some tough competition. You need somebody on your side who's as strong as you are! You may have to make a concession in order to make this happen, but it's worth it.

SAGITTARIUS (Nov. 22-Dec. 21) — Today is a 4 — A lot needs to be done, and more comes in all the time. You want to do a perfect job, but can you? If you're overwhelmed, talk to somebody who knows, in private. Get the support you need but never let the public see you sweat!

CAPRICORN (Dec. 22-Jan. 19) — Today is a 9 — You look good! You're practical, but not necessarily hard-working. You're using your brains instead of your brawn. Unfortunately, you don't get to spend as much time as you'd like in private conversation due to your fans' demands! You're just too popular!

AQUARIUS (Jan. 20-Feb. 18) — Today is a 4 — You're facing tough adversaries. If you're not making headway, perhaps you should wait for a better time. Why fight a battle you can't win? Stick up for the most important thing but don't waste a lot of energy, or breath, on deaf ears.

PISCES (Feb. 19-March 20) — Today is a 7 — Long-distance travel could get hectic. Short-distance travel is complicated, too, but not nearly as inconvenient. Consequently, stay close to home if you can. Traffic could be horrendous out there. Watch where you're going and where other people are going, too.
