Horoscope by Linda C. Black

TODAY'S BIRTHDAY (Oct. 29). Let a tor-eign friend teach you something new and be-come even wiser. Timing's everything in No-vember. The truth will be out by December. Gather knowledge in January and store it where you can in February. In April, there's plenty of work and plenty of stress, too. In May, relax with an old partner and a familiar old routine. Venture forth in July and glimpse your future in August. Love's the key, especially in Sep-tember.

To get the advantage, check the day's rating: 10 is the easiest day, 0 the most challenging. ARIES (March 21-April 19) - Today is a 5

You're a little bit pressed today. Moving some things in and out? Somebody else has a huge "honey-do" list for you. It's not easy for you to follow orders, but today it's your best bet.

TAURUS (April 20-May 20) - Today is a 9 This is a good day for you to learn, grow, teach and compromise. Hummmmn: That may not have been what you thad in mind. You wanted to win. Well, that might happen, but it probably won't before you make a concession. Give ap something you can do without.

GEMINI (May 21-June 21) --- Today is a 5-If you put in a little extra effort, you might make a good return on an investment. Be care-ful with your spending: share expenses when possible. Don't volunteer to pay for more than your share. Be extravagant some other time. Today it's wiser to scrimp.

CANCER (June 22-July 22) - Today is a 9 CANCER (June 22-July 22) — Today is a 9 — You look good today. You should be re-laxed, calm, cool and collected. You'll even breze past someone who's being a bit of a jerk. Sometimes this kind of behavior is upsetting, but today ignore it. Consider the source.

LEO (July 23-Aug. 22) — Today is a 4 — You could be forced to finish something you've started. You have lots of other things you'd rather do, but there's no time for any of that now. Somebody else is cracking the whip, and you'd be wise to jump!

VIRGO (Aug. 23-Sept. 22) — Today is an 8 — You're basking in a complimentary glow, so

SCORFIO (coct. 24-Nov. 21) — Today is an 8 — You are blessed today. You can see the overview easily, and that helps you make a wise decision. Truth and justice will prevail, es-pecially since you're on the job. Do your best to make sure that happens, and your efforts will be greatly appreciated.
