Students create safe Halloween

Volunteers from several student organizations gave time for a children's carnival

By Maggie Young
Oregon Daily Emerald

Tiny witches, fairies and vampires congregated in Agate Hall Sunday for an event that Child Care Coordinator Dennis Reynolds likes to call a "fun-raiser."

University child care centers including the EMU, Vivian Olum and Spencer View Co-Op were invited to participate in the Halloween Carnival for University parents and their children, as well as the public.

Several booths were set up to provide a variety of Halloween events aimed at preschool and toddler-

aged children, Reynolds said. Activities included a cupcake walk, necklace-making, face-painting and create-a-mask booths, among others.

EMU preschool attendee Amber Cecil had a hard time picking her favorite activity among face-painting, cookie decorating and, of course, getting candy. She said that the student volunteers are nice and was glad that her mother brought her.

Students, teachers and parents from the EMU Child Care Center along with several University student groups volunteered at the various booths at the festival.

Gamma Phi Beta, Sigma Kappa, Pi Kappa Phi, Delta Sigma Phi and the University's baseball team each had volunteers at the Halloween festival.

The carnival pulls the community together said Rebecca Bernert, public relations intern for the EMU Child Care Center.

"It's important to bring students, teachers and parents together," said Bernert, who is also a senior English and psychology major.

This event shows the other side of Halloween on campus, Bernert said. "A lot of students aren't taking part in riots, they're here volunteering in a healthy, safe event that promotes family," she said.

When senior Rich Fay, a University baseball team representative asked his team to participate, he received a very positive response.

"Everyone remembers what it was like to be this small and go to Halloween carnivals," Fay said.

PREPARING FOR THE CBEST

| | |
|------------------------|------------------------|
| Nov.: 1,3,8,10,17 | Jan.: 10,12,19,24,31 |
| 3:30pm-5:00pm | 3:30pm-5:00pm |
| Practice Test: Nov. 15 | Practice Test: Jan. 26 |
| 3:30pm-5:30pm | 3:30pm-5:30pm |

The fee of \$75 includes printed materials, 5 instructional sessions and a practice test.
