Horoscope by Linda C. Black

TODAY'S BIRTHDAY (Nov. 3). If you scratch another person's back this year, that person will scratch yours. Dig into your pocket to help a friend in December, and he or she might give you the boost you need in January. Make a change at home to improve matters there in February. Go back to an old work routine in April. Heed a caution from your partner in May. Unleash your talent in August, and the money should follow. Friendship grows into love in September.

To get the advantage, check the day's rating: 10 is the easiest day, 0 the most challenging.

ARIES (March 21-April 19) — Today is a 6 — The workload is heavy, and you're being watched. Don't worry about it; you can perform brilliantly under pressure. Besides, the person who's watching may be a talent scout. Prove that you have the right stuff.

AURUS (April 20-May 20) — Today is an 8 — When you have love, nothing else matters. When you're coming from love, you always have it. So, how about you and a loved one figure out what to do next, together? How long has it been since you've had a romantic vacation? You can make it happen.

GEMINI (May 21-June 21) — Today is a 6 — You may be worried about whether you'll have help when you need it. Don't limit yourself to a few options. Give yourself a backup and an escape route, too. It's OK to hire somebody. It's art and could even save you money. Don't state.

CANCER (June 22-July 22) — Today is an 8 — You're learning quickly, and you have the support of loved ones. Trust their advice. You're stepping outside your old boundaries a little bit, but that's OK. Go ahead and spread your wings. You may surprise yourself.

LEO (July 23-Aug. 22) — Today is a 6 — Have you been thinking about putting your home on the market? Maybe you could sell something in your home, instead. Don't worry about money anymore; make some. Get rid of something you've outgrown at the same time,

and win twice.

VIRGO (Aug. 23-Sept. 22) — Today is a 9 — You either have the experience you need or you know somebody who does. That's your key to success today. Don't venture into unknown territory without taking along somebody who's already been there, done that.

LIBRA (Sept. 23-Oct. 23) — Today is a 6 — You need to finish up something so you can get on to the next project. Do the quality control inspection, the follow-through. If everything that can be done has been done, you're ready to check that one off your list.

SCORPIO (Oct. 24-Nov. 21) — Today is an 8 — Watch for a big opportunity. You'll have to be bold, daring and outrageous. The rewards should be enough to tweak your interest, however. When you take a risk, it's always well-calculated, so enjoy!

SAGITTARIUS (Nov. 22-Dec. 21) — Today is a 5 — Keep a low profile, do your job and try not to attract attention. The pedant patrol is out cruising, trying to find a nit to pick. A little of that goes a long way with you, so give them a lot of room. Hide out!

CAPRICORN (Dec. 22-Jan. 19) — Today is a 9 — Your friends point you toward the good deals. You've been good to them in the past, and you've earned their respect. It's OK to let them do something nice for you now. Graciously accept the compliments and the opportunities.

AQUARIUS (Jan. 20-Feb. 18) — Today is a 5 — You may feel rather cramped. You're trying to do something, but you don't have enough time, money or influential friends. It may seem like you're invisible. Go back to the drawing board. Present your new improved idea later.

PISCES (Feb. 19-March 20) — Today is an 8 — You should be in close collaboration with your favorite partner today. You may not be able to get what you want right now, but with planning, you can soon. Find out what the requirements are and get started.

WE'LL ERASE YOUR COLLEGE LOAN.

If you're stuck with a student loan that's not in default, the Army might pay it off.

If you qualify, we'll reduce your debt—up to \$65,000. Payment is either 1/3 of the debt or \$1,500 for each year of service, whichever is greater.

You'll also have training in a choice of skills and enough self-assurance to last you the rest of your life.

Get all the details from your Army Recruiter.
