Horoscope by Linda C. Black

TODAY'S BIRTHDAY (Dec. 3). This year a
collaboration could lead to love — or at least a
good friendship. A change in how you see
yourself is an improvement in December. Sort
through the data in February and find the clue
you're seeking. Love's there for you in April.
Rest up because May could be tiring. Pursue
your vision in August and meet your match in
October. Don't share everything you know in
November.

To get the advantage, check the day's rating: 10
is the easiest day, 0 the most challenging.

ARIES (March 21-April 19) — Today is an 8 —
You could cinch a big deal to everybody's
satisfaction. Even if you've been arguing,
there's a ray of hope. He or she may finally see
it your way, and vice versa, too. Give it one
more try.

TAURUS (April 20-May 20) — Today is an 8 —
You could have a lucky break at work.
Somebody there might finally understand what
you've been talking about. Press your advantage
and ask for what you want. Your chances
of getting it are good.

GEMINI (May 21-June 21) — Today is an 8 —
You certainly have a way with words. Your
sweetheart doesn't have a chance. You want it,
you got it! If you don't have a sweetheart yet,
make a date with the person you most want to
enchant.

CANCER (June 22-July 22) — Today is an 8 —
Your home is where your heart is — now
more than ever. Conditions are perfect for a
special meal with the ones you love most.
Nothing's better than good food and good
friends, and you can make it happen.

LEO (July 23-Aug. 22) — Today is an 8 —
Why not have everybody over to your house?
If you're not sure how to throw a big party, ask
a roommate or close family member to teach
you. Include the neighbors, and you'll have a

night to remember.
VIRGO (Aug. 23-Sept. 22) — Today is a 6 —
You're in a learning phase, and that's good. At
least one interesting puzzle needs to be figured
out. If you want to know what's really going on,
ask a Gemini or a Sagittarius.

LIBRA (Sept. 23-Oct. 23) — Today is an 8 —
You should be in a good mood today — and
with good reason. The moon in your sign
makes you more sensitive, imaginative and
good looking! Talk your date into going some-
where flashy.

SCORPIO (Oct. 24-Nov. 21) — Today is a 6 —
There's too much to do, and more coming in
every minute. If you push yourself, you can
make a bundle. Do that so you can buy yourself
a special treat. You'll have earned it!

SAGITTARIUS (Nov. 22-Dec. 21) — Today
is a 7 — Today your interactions with most
people should be successful. You're an easy
person to be with. Watch out for people who
tend to withhold part of the data, however.

CAPRICORN (Dec. 22-Jan. 19) — Today is
a 6 — Things are not quite as they appear. You
might not even be sure what you can and can't
do. Keep pushing. You might accomplish more
than you thought you could.

AQUARIUS (Jan. 20-Feb. 18) — Today is an
8 — You're competent, but you can't do it all by
yourself. The help you get from friends is im-
portant, especially now. Somebody with a fore-
ign flare could give you the boost you need.

PISCES (Feb. 19-March 20) — Today is a 6 —
Somebody thinks you can accomplish a new
task. You might not be so sure. Instead of wor-
rying, do the homework! Practice is all that's
between where you are and where you want to
be.
