## Horoscope by Linda C. Black

**TODAY'S BIRTHDAY** (Jan. 7). If you're so smart, why aren't you rich? Well, maybe you will be, soon. Work out the bugs in your latest scheme in January. They should be obvious. Don't deplete your savings in February. Find what you need close to home in March and at home in April. Old love's best in May, and new money comes in handy in August. Keep a secret you hear in December, even if it changes everything.

To get the advantage, check the day's rating: 10 is the easiest day, 0 the most challenging.

**ARIES** (March 21-April 19) — Today is an 6 — You've had a challenging past few days. If you performed up to your expectations, you may have just won the gold medal. Or, you may have decided it's time to change games. Tonight, celebrate.

**TAURUS** (April 20-May 20) — Today is a 7 — You've almost worked yourself up to the next level. It's time to hone in on the prize you want. Get rid of the distractions and use what you've learned. You're almost there.

**GEMINI** (May 21-June 21) — Today is a 6 — You're getting stronger. You'll have a little more stability, too. You might have been worrying, but stop that. Discuss your situation with an expert. The answer you're looking for is near.

**CANCER** (June 22-July 22) — Today is a 7 — Once you get the commitment, you'll want to get the money. Sometimes closing the deal is the hardest part, but not for you today. You've got the next step on your mind already. Get going!

**LEO** (July 23-Aug. 22) — Today is a 6 — You've had your nose to the grindstone for days. Don't slow your pace until the job's done. There's fun to be had tonight, and it'll be even sweeter if you're celebrating a victory.

**VIRGO** (Aug. 23-Sept. 22) — Today is an 8 — Everything should go well in the morning. As the day continues, you might notice a few things that need to be done. So, in your case, the assignment is to play first, work later.

**LIBRA** (Sept. 23-Oct. 23) — Today is a 7 — Tonight will be fun, but don't leave it to chance. Get tickets to see that new movie or comedian, the more unusual, the better. Don't let somebody else's domestic problems slow you down.

**SCORPIO** (Oct. 24-Nov. 21) — Today is a 7 — You're about to be put to the test. Skills you've been learning are no longer theoretical. You'll see if they actually work. Fix things, from leaky faucets to crashed hard drives. You have talent.

**SAGITTARIUS** (Nov. 22-Dec. 21) — Today is a 7 — Money and education are linked. Learning about making or saving money would be good. Any kind of investment you make in your education, however, should be money well spent.

**CAPRICORN** (Dec. 22-Jan. 19) — Today is a 9 — You may have been doing some heavy thinking lately. You're making plans, and well you should. Once you get your route mapped out, the rest will be easy. Take your time and do it right!

**AQUARIUS** (Jan. 20-Feb. 18) — Today is an 8 — You should be getting stronger. Your anxieties should be lessening. You might not be able to get everything done, but by tonight, you might not care. The most important stuff should rise to the surface.

**PISCES** (Feb. 19-March 20) — Today is a 7 — You might not have as many people behind you as you had before. Some of them have scattered, but that's OK. Do more planning now, so you'll be ready next time your inspiration is needed.
