Horoscope by Linda C. Black

TODAY'S BIRTHDAY (Jan. 10). Some
years you feel like wandering, but this year
you'll stay close to home. Something there gets
your attention in January. February's interest-
ing, if somewhat confusing. Learn as quickly
as you can in March so you can master a chal-
lenge in April. Rest on your laurels in May.
Find the treasure in your own backyard in Au-
gust and in the back of your mind in December.
To get the advantage, check the day's rating: 10
is the easiest day, 0 the most challenging.

ARIES (March 21-April 19) — Today is a 7
— Be cautious, but not anxious. If you follow a
hunch, you'll be calm. If you're running away,
you'll be nervous. The former is your best op-
tion, and don't worry. Your luck's good.

TAURUS (April 20-May 20) — Today is an 8
— You and your friends can get a lot done to-
day. You'll need a whole team to accomplish
your goals. That's OK. It'll turn what could
have been drudgery into a festive event!

GEMINI (May 21-June 21) — Today is a 7 —
You may have a tendency to worry. Are you
doing things right? Well, it's always important
to learn and to put in the correction. That's es-
pecially true if money's concerned. Better
check your work.

CANCER (June 22-July 22) — Today is an 8
— You and your mate should schedule some
private time together. How about a trip to one
of your favorite places? You don't have to go
right now, but it would be nice if you could,
even for a little while.

LEO (July 23-Aug. 22) — Today is a 7 — You
don't mind being in the spotlight, normally.
This time isn't as comfortable, however. You
can gain a lot by putting on a good perfor-
mance, so concentrate. Then, relax. That's the
hard part.

VIRGO (Aug. 23-Sept. 22) — Today is a 7 —
If your friend comes up with an idea that's

doomed to fail, don't laugh. That's not only
mean, but also counterproductive. Instead, of-
fer a suggestion to make it work. You'll bene-
fit, too.

LIBRA (Sept. 23-Oct. 23) — Today is a 7 —
You should be on a creative binge right now.
Something at home needs attention, too. Are
you redecorating? If not, why not? You know
what you want to change. Go ahead and do it!

SCORPIO (Oct. 24-Nov. 21) — Today is a 9
— No doubt is left in your mind, so let the other
person involved know what you're thinking.
The choices you make now should be sound,
based on solid facts, as well as intuition. Speak
up.

SAGITTARIUS (Nov. 22-Dec. 21) — Today
is a 6 — Quick action could be required today.
If you can fix it yourself, you might save mon-
ey, but take care. If you don't already know
how, it might be cheaper and quicker to hire an
expert.

CAPRICORN (Dec. 22-Jan. 19) — Today is a
7 — Your curiosity's been activated. You want
to know who, what, when, where and how.
This affects your finances, so it's important to
know. Don't take any risks. It would be smarter
to take a class!

AQUARIUS (Jan. 20-Feb. 18) — Today is a 6
— You may be in the mood to shop. Not a bad
idea, actually. You could get some excellent
deals on gifts for your friends. One item in par-
ticular will make a big hit. Go ahead and
splurge.

PISCES (Feb. 19-March 20) — Today is an 8
— You may be the star of the show today.
Tune in to what an older person wants and
provide it. You'll win on several fronts. You'll
make the other person happy, and you'll bene-
fit, too.

**Academic
Learning
Services**

Helping Faculty and Students Succeed.

MCAT
