Horoscope by Linda C. Black

TODAY'S BIRTHDAY (Jan. 18). You'll think more about money this year, and that could be quite profitable. Make up your mind in January. Draw up blueprints for a dream in February. Let your creativity loose in March and settle in around April. In May, love blossoms with an old friend, but the work's brand new in June. Don't let anybody talk you out of your savings in August. You'll need that money for a special treat in December.

To get the advantage, check the day's rating: 10 is the easiest day, 0 the most challenging.

ARIES (March 21-April 19) — Today is a 7 — Your team might have had trouble understanding what you're talking about. Well, that situation should change, soon. You're learning, and that helps. They're learning, too!

TAURUS (April 20-May 20) — Today is a 7 — Don't rely on your imagination alone. Get help. Somebody else may be able to solve the problem once you define it. It's a team effort, and you both have something to contribute.

GEMINI (May 21-June 21) — Today is a 7 — Is it time for you to take another trip? You need a change of scenery more than once a year or else you get stale. Foreigners will be fun today, too. Set something up.

CANCER (June 22-July 22) — Today is a 7 — You may not want to be in the spotlight. Instead, provide information somebody else can use. It's nice to have an agent or a spokesperson, and today it'll be quite effective, too.

LEO (July 23-Aug. 22) — Today is a 6 — Wrap up a team effort and investigate a new possibility. Do you have a partner who you can rely on? If not, make that your next priority. No need to wear yourself to a frazzle.

VIRGO (Aug. 23-Sept. 22) — Today is a 6 — It's time to clean house again. Get rid of all that junk you don't need. It might be time for changes in your romantic relationship, too. Is it time for a commitment? Make one!

LIBRA (Sept. 23-Oct. 23) — Today is a 7 — There'll be a lot of action tomorrow. You may have to prove you know what you're talking about. Do the homework today. Don't run off and play; get prepared, first.

SCORPIO (Oct. 24-Nov. 21) — Today is a 7 — Your attention is required at home. Maybe it's a leaky faucet, but it's rather intimidating if you don't know how to do it. Education is the key to your success. Get a book.

SAGITTARIUS (Nov. 22-Dec. 21) — Today is a 7 — You and a person who you care about need to come to an understanding. It's hard to talk about money sometimes, but if you do, you'll make your life easier. Just tell it like it is.

CAPRICORN (Dec. 22-Jan. 19) — Today is a 6 — You might have been doing a little introspection lately. Maybe you've made some course changes to get in line with achieving your objectives. Now, look at the bottom line. Find the money.

AQUARIUS (Jan. 20-Feb. 18) — Today is a 7 — You could have a major breakthrough soon. You've thought about all the possibilities, courses of action and variables. Well, they could jostle into one coherent whole. Stand back a little.

PISCES (Feb. 19-March 20) — Today is a 6 — You and your friends have things worked out pretty well. But, the more you learn, the more you realize you don't know. That may happen again. You're venturing into unknown territory. Congratulations!
