Horoscope by Linda C. Black

TODAY'S BIRTHDAY (Jan. 19). A legal matter requires attention this year, but all turns out well. Put your money where your mouth is in February. Ask probing questions in March. In April, home is where your heart should be—and the rest of you, too. May's good for romantic commitments, and June's not bad, either. By August, you should know where to go next, and in September, you could take the trip. Secret loves are revealed in December.
To get the advantage, check the day's rating: 10 is the easiest day, 0 the most challenging.
ARIES (March 21-April 19) — Today is a 7 — The pace is fast and furious. Have you thought about taking a trip or going back to school? You'll want to make something happen, and it's not a bad idea. You've thought about it long enough.
TAURUS (April 20-May 20) — Today is a 7 — If you can be in two places at the same time, you'll get everything done. Otherwise, you may have to make a difficult choice. Should you go near or far? Whichever costs less.
GEMINI (May 21-June 21) — Today is a 7 — Money's the big focus for you, again. Having a partner could help. If more is going out than is coming in, misery loves company. Besides, the two of you will inspire each other to be even more creative.
CANCER (June 22-July 22) — Today is a 7 — You could get yanked out of your shell. You'd rather have somebody else speak for you, but that may be hard to accomplish. Do it if you can, but if you can't, have the courage of your convictions.
LEO (July 23-Aug. 22) — Today is a 7 — If you can hide out, away from the maddening crowd, and do some scheming, you'll prosper. The object of your attention? The same person who's the object of your affections. Provide

what's needed.
VIRGO (Aug. 23-Sept. 22) — Today is a 7 — A lot of people care about you. They all want to be with you, however. That's the downside of being so darned cute! How about having them all over to your house tonight?
LIBRA (Sept. 23-Oct. 23) — Today is a 7 — Capricorn, Aries, Cancer and Libra. Those are all the cardinal signs. When we have planets in these signs, like now, quick thinking is required. It's relatively easy for you to do, too.
SCORPIO (Oct. 24-Nov. 21) — Today is an 8 — You have an ace up your sleeve. Your intuition's good, too. Speak up and let the person you care about know what's on your mind. You've had enough waiting to last you for a while.
SAGITTARIUS (Nov. 22-Dec. 21) — Today is a 7 — You might qualify for a loan if you can answer a few tough questions. Don't try to pull any tricks; just stick with the truth. That always works best for you.
CAPRICORN (Dec. 22-Jan. 19) — Today is a 6 — If you're worried about a friend, call. Don't just think about it; turn those thoughts into action. You could do something to help, so find out what it is and do it.
AQUARIUS (Jan. 20-Feb. 18) — Today is a 7 — You'll have to push hard to keep on schedule. Part of the problem is that you're more interested in something else. Once the icky assignment is done, the rest of the day will be easier.
PISCES (Feb. 19-March 20) — Today is an 8 — Your friends and loved ones all know you can do it. If you're not so sure, well, disregard that thought. Pisces is the sign of faith, remember? So, have faith in god's good judgment in making you!
