

## If you're thinking of making the climb, be sure you don't take the plunge.

The corporate ladder is notorious for being slippery, and narrow, not to mention that getting to the top can take a lifetime.

**Now, think again.**

MONY offers ambitious, success-driven individuals, with or without sales experience in the life insurance and financial services arena:

- specialized training
- marketing support
- extensive benefits

and an income potential that is unlimited!

**Interested?**

Visit our booth, call, e-mail or send the coupon below.

Serving Individual Investors Since 1871

008305

FNW is proud to be the largest plumbing and industrial distributor in the Northwest with over 110 branches serving the residential, industrial, commercial, manufacturing, heating, and waterworks markets distributing over 130,000 products.

Right now, we're seeking to discover and develop talented individuals. You could become the future of Familian Northwest in one of the following capacities:

- Operations
- Outside Sales
- Branch Management
- Regional Management
- Senior Management

As a FNW trainee, you will work with the top talent in our industry — Familian talent. In accordance with our employment policies and your performance, you will work through every phase of our business — at your own speed. You'll have the opportunity to move forward based on your performance without rigid time frames or seniority restrictions.
