Horoscope by Linda C. Black

TODAY'S BIRTHDAY (Jan. 28). Keep banging your head against that brick wall or glass ceiling. You're liable to break through. Believe in miracles in February. In March, your faith leads you to take action. There's more than enough information in April. Whittle it down to useful size in May. An expert can show you the way in August, and an older person will test you in November. If you pass, you'll win the prize. By December, you should be ready to celebrate, and you can entertain a secret passion in January.

To get the advantage, check the day's rating: 10 is the easiest day, 0 the most challenging.

ARIES (March 21-April 19) — Today is a 6 — You may feel pushed and pressed. The path you'd like to take is blocked. This is pretty exciting, which is just fine. You have a trick or two up your sleeve. Use your team, too.

TAURUS (April 20-May 20) — Today is a 5 — You are slightly inhibited by circumstances. Seems like everybody has a different agenda for you to follow. You and a friend can find a way around the logjam. Don't give up on what you want.

GEMINI (May 21-June 21) — Today is a 6 — If you can avoid traveling far, do so. Getting there might be more trouble than it's worth. Don't offer any information, either. If interrogated, only give them your name, rank and serial number.

CANCER (June 22-July 22) — Today is a 7 — Your intuition is good, but that doesn't mean everything's going to be easy. If one door closes, turn around. A better opportunity might be in a different direction.

LEO (July 23-Aug. 22) — Today is a 6 — You can influence the people around you. Don't come right out and tell them what to do; that won't work well. And, since that's your normal method, you may feel stifled. Learn to be sub-

tle, instead.
VIRGO (Aug. 23-Sept. 22) — Today is a 6 — The tension in the air could be cut with a knife. You could spread it on toast although that would probably give you indigestion. Remember that life's a lesson. You're the student. Take notes.

LIBRA (Sept. 23-Oct. 23) — Today is a 6 — Don't be upset if you can't get as much done as you'd like. Something may come along that upsets your schedule, too. Do the most important thing first even if it hasn't been on your list the longest.

SCORPIO (Oct. 24-Nov. 21) — Today is a 7 — You have all sorts of energy and determination. You've schemed long enough. Go ahead and take action. But, just to be on the safe side, listen to a person who disagrees with you.

SAGITTARIUS (Nov. 22-Dec. 21) — Today is a 7 — You're being forced to make a change. You already know what it is. The longer you resist, the more difficult it becomes. You're telling yourself to do this, anyway. So, just do it.

CAPRICORN (Dec. 22-Jan. 19) — Today is a 7 — Money may still be on your mind. Instead of spending any, you could learn more about it. Get a good book on the subject. The more you know, the more you'll be worth.

AQUARIUS (Jan. 20-Feb. 18) — Today is a 5 — You may be in a difficult situation. You need someone's OK, but that person isn't cooperating. You're basing your argument on facts, but the other person is reacting emotionally. Be understanding.

PISCES (Feb. 19-March 20) — Today is a 6 — You may be worried to a frazzle. If you relax, you'll do a better job. First, sort through and toss the extra baggage you're carrying. Do whatever you can to lighten your load.
