Horoscope by Linda C. Black

TODAY'S BIRTHDAY (Feb. 2). Some work is required, but most of it's already been done. Perseverance is all that's necessary now. Listen to the voices in your head in February and to what a real friend is telling you, too. Follow a hunch in March and a sure thing in April. Send your mate on a mission in August while you perfect the plan. Delay travel in September and give a private matter top priority instead. Discover a new friend in December and reconnect with an old one in January.

To get the advantage, check the day's rating: 10 is the easiest day, 0 the most challenging.

ARIES (March 21-April 19) — Today is a 6 — If you do everything perfectly, you'll grow in favor with those who outrank you. If you goof up, you could snatch defeat from the jaws of victory. So, tell your friends you'll be glad to play with them another time. Right now, you're too busy.

TAURUS (April 20-May 20) — Today is an 8 — You're apt to be in an affectionate and generous mood this morning. You wish you could take the day off, but that's probably not a good idea. You'd like to spend all day playing, but you have an agenda you're trying to promote. Be efficient, and you can play, too.

GEMINI (May 21-June 21) — Today is a 6 — Do you need money? If it's for education, you might have a chance. You could talk somebody into backing you in going back to school. It would be a good investment for you; that's obvious. Convince them it's a good investment for them, too, and you're in.

CANCER (June 22-July 22) — Today is a 6 — Continue to heed the advice of a wise woman. This could be a relative of yours, but it could also be somebody you've hired. You're pretty good at taking coaching, and that shows you're pretty wise, too. Together, you're a hard team to beat.

LEO (July 23-Aug. 22) — Today is a 6 — Don't worry about the money now. That's not the most important thing. You should be more concerned about the contacts you're making. Show people you can be relied upon to do a good job, and the money will come. And, there'll be more of it when it does.

VIRGO (Aug. 23-Sept. 22) — Today is an 8 — You're practical, sensible and probably in love. There's a lot of work coming up, but you should be able to play just a little while longer. Some folks think that Virgos are shy. You know you're just interested in perfection. Today, you might find it.

LIBRA (Sept. 23-Oct. 23) — Today is a 7 — You're good at putting things into order. You can always find a compromise so that everything goes well together. You do it with colors, home decor and personalities. Today, those skills could get quite a workout. It's a challenge, but you can do it!

SCORPIO (Oct. 24-Nov. 21) — Today is a 7 — Don't put anything off until tomorrow that you can manage to do now. You always like to be prepared, and this is your big chance. In other words, if you don't get it done ahead, you may not have time to get it done at all. A stitch in time saves nine.

SAGITTARIUS (Nov. 22-Dec. 21) — Today is a 6 — Work, money and education are all important parts of your life, but not necessarily in the same skills. You could be studying something technical, for example, and working at something manual. It's all part of getting where you want to go. Keep at it.

CAPRICORN (Dec. 22-Jan. 19) — Today is an 8 — You're lucky in love, and that's always nice. This could be the love you share with your close relatives, children or friends and neighbors. If you're like most Capricorns, you don't mind being alone. But, you can give that up for a while. Play with others, instead.

AQUARIUS (Jan. 20-Feb. 18) — Today is a 7 — You have a lot of great ideas, and you're bubbling over with creativity. If you can stay practical, too, you'll make amazing things happen. It might be wise to get help. A Capricorn woman is the most obvious choice to teach you what you need to know.

PISCES (Feb. 19-March 20) — Today is an 8 — You and your buddies have got things under control. You're strong and confident, so you can ask for whatever you need. You do have a puzzle to solve, but don't let that get you down. Think of it as a game, and it'll be part of the fun.
