Horoscope by Linda C. Black

TODAY'S BIRTHDAY (Feb. 9). You're even smarter than usual this year. You already have all the answers in February. New questions require quick thinking in March—and quick action, too. Push yourself into overdrive in April, but slow to a crawl in May. You can't get where you're going without a good coach in August, and your friends will let you know when you've made it in December. You have a new secret admirer in January.

To get the advantage, check the day's rating: 10 is the easiest day, 0 the most challenging.

ARIES (March 21-April 19) — Today is a 7 — You're looking pretty good, so don't procrastinate. Things are going well, but you shouldn't rest on past accomplishments. If you and your friends tackle a new project now, it won't take much time at all. You might even have enough left for a celebration.

TAURUS (April 20-May 20) — Today is a 7 — You may feel slightly overwhelmed. When you decided to do this next task, it looked pretty easy. Now, you're getting into the hard part. Well, maybe that's good. Now you can prove you work well under pressure.

GEMINI (May 21-June 21) — Today is an 8 — You can provide a lot of good ideas to the right team. Look around. What you want is a strong leader who's headed in the right direction. You have plenty to offer, and somebody out there needs you. Don't wait for them to find you. They'll be impressed if you show initiative.

CANCER (June 22-July 22) — Today is a 7 — Don't expect your life to be tranquil and peaceful today. That's not likely to happen. If you're on the lookout for action, however, you could be pleasantly surprised. A person who wants things done yesterday will be pleased if you're well-prepared, too.

LEO (July 23-Aug. 22) — Today is a 7 — You're a little stronger today, but you don't have a clear field yet. The person you've been squabbling with is still as stubborn as ever. This is good. The more resistance you encounter, the better your final plan. So, don't fight. Work on it together.

VIRGO (Aug. 23-Sept. 22) — Today is a 5 —

It's possible you'll be able to get a loan through your work, especially if you want to buy a home. You might be able to get something for your home, too. Check out the possibilities and don't be intimidated by a gruff person. He or she is just like that.

LIBRA (Sept. 23-Oct. 23) — Today is a 7 — You and a partner could get into a hassle, but take care. The other person has the advantage, now. If you can put this off for another week, you'll have a better chance of winning. If not, well, be graceful and wise.

SCORPIO (Oct. 24-Nov. 21) — Today is a 6 — You're under more tension today. It's important to move quickly to get everything done. Stay calm and try not to let them see you sweat. One of the others may go off, but if you can stay in control, you'll win.

SAGITTARIUS (Nov. 22-Dec. 21) — Today is a 6 — You should be pretty well rested up by now. Romance looks good, and a new project starts to get interesting. You may not have much money, but that's OK. You may come up with a way to make more of that soon, too. You're getting creative again.

CAPRICORN (Dec. 22-Jan. 19) — Today is a 7 — Is there something at your house you don't need any more? Something that might be of value to somebody else? Hmmm. Did you know Capricorn is the sign of the entrepreneur? You probably don't even care. You're too busy finding things to sell!

AQUARIUS (Jan. 20-Feb. 18) — Today is a 7 — You're learning quickly. Aquarius is the sign of the scholar, so this should be a lot of fun. You're eager, interested and gobbling up the material. Don't try to teach anybody yet, though. Wait until you've digested it for a while, first.

PISCES (Feb. 19-March 20) — Today is a 7 — You may feel rather pressed. You're pretty good at pulling strings behind the scenes to get the information you need. Ask a favor from a person who you helped out in the past. It'll be OK if it's fair and square. You'd never ask for any other kind, right? Chances of becoming perfect are pretty good.
