Horoscope by Linda C. Black

TODAY'S BIRTHDAY (Feb. 23). This year invest in your own education — and your own creativity. Go back and finish what you started in March. Work to save money in April and to keep up with the demand in May. Old love's best, and most convenient, in July. Focus on your future in August. Take out a loan in October and invest it wisely in November. By December, transform into the person you always wanted to be. Settle into a routine by next February. To get the advantage, check the day's rating: 10 is the easiest day, 0 the most challenging. ARIES (March 21-April 19) — Today is a 6 — Once you and your mate or partner have your relationship figured out, it'll be time to talk about money. Don't stress out; it's perfectly natural. You shouldn't have to pay for everything, should you? It's wiser to share the load. TAURUS (April 20-May 20) — Today is a 6 — This should be a creative day. You could run into some opposition, however. It's a good day for completion, too. Is there something you need to say to somebody, to get the ball rolling? If so, go ahead and do it. The more awkward the situation, the more pleased they'll be. GEMINI (May 21-June 21) — Today is a 7 — You don't often jump into the leadership role, but today you should. That's because you're one of the few who can figure out what's going on. Bring the others up to speed if you can. Your efforts will be appreciated. CANCER (June 22-July 22) — Today is a 7 — Something about your home may need rearranging. You may decide you can't stand the way it is any more. You have a lot of other things to do, so you really don't have time for this. That's OK. Once you get this bee in your bonnet, you'll move quickly. LEO (July 23-Aug. 22) — Today is a 6 — You are still under scrutiny. Are you being evaluated for a promotion? Well, it couldn't happen to a nicer person. Changes at home still require some of your attention, however. You may have to turn down a request for a freebie to have time for family. Do it. VIRGO (Aug. 23-Sept. 22) — Today is a 7 —
