HOROSCOPE by Linda C. Black

TODAY'S BIRTHDAY (Feb. 29). Your friends keep you headed in the right direction. Heed their advice in March if you're confused. There's not enough money to do it all in April. Advice is easy to come by in May, but skill still takes practice. Work's required to make progress in August, but a lucky break could help increase your income around December. Schedule a visit with friends for January and finish loose odds and ends next February.

ARIES (March 21-April 19) — Today is a 4
— You may find another opportunity soon.
Unfortunately, it looks more like a problem.
You have to wait. Don't push and try not to get
upset. Don't let on how angry you are. Keep
looking around for the lesson you're supposed
to be learning, instead.

to be learning, insead.

TAURUS (April 20-May 20) — Today is a 6

— The Capricorn moon is shining merrily down on you right now. Your experience could help you avoid a difficult simulation today. Your friend isn't quite so lucky. Offer assistance if

interests.

GEMINI (May 21-June 21) — Today is a 5—
You could be undergoing some financial stress.
Look for ways to save money. You have to
spend some, too, which doesn't help. Keep
shopping for the best possible price. And, don't
feel like you have to bail out a friend. He or she
will manage.

will manage.

CANCER (June 22-July 22) — Today is a 7

— You might be able to delegate some of your responsibilities and to give yourself a break. You've been dealing with some rather stressful situations, and you've earned as much relaxation as you can manage. Be gentle with a sensitive person, too.

sitive person, too.

LEO (July 23-Aug. 22) — Today is a 6 —
You're still in the mood to play, and there's simply not time for that any more. If you want to stay out of trouble and in line for that big promotion, look sharp. Don't make anybody else have to look for you, in order to get the job done!

VIRGO (Aug. 23-Sept. 22) - Today is a 7-

You have a grand trine in earth signs today. That's good. It helps you be even more compe-tent than you already are. There is something that won't go right, but that's OK. You will most likely prevail, no matter what happens.

LIBRA (Sept. 23-Oct. 23) — Today is a 5 — Your work should be a little bit easier today, especially if you work out of your home. There may be a bit of a conflict with a partner, mate or perhaps your attorney. The other person wants to do something that you think is a big waste of time. Compromise.

SCORPIO (Oct. 24-Nov. 21) — Today is a 7
— You learn best by doing. If you do that now, you'll be amuzed at how quickly your skill level improves. Your job may kind of get in the way, but don't let that stop you. It's quite possible there's a better job, doing something you love, just ground the creamer.

SAGITTARIUS (Nov. 22-Dec. 21) — Today is a 6 — Money, business, work and you — those are all linked together right now. There's no shortage of money out there, and they're printing more of it all the time. The challenge is no sit it that your profest. Well it looks like

is to get it into your pocket. Well, it looks his you can if you're willing to work. Go for it.

CAPRICORN (Dec. 22-Jan. 19) — Today is a 7 — There could be a bit of excitement at your house, later. Be careful around sharp objects and make sure others do the same. Sharp tongues count, too. Schedule a confrontation for another time. It'll be hard to find a compromise now.

— You have a few deadlines to make, so get busy. If you can push yourself, you could bring in a little extra money. That would certainly be comforting, wouldn't it? Finish up something that's only partially complete, and that will help you feel better, too.

PISCES (Feb. 19-March 20) -—You may suddenly realize you have a whole team on your side. You're not in this alone. That's the good news. The bad news is there's not enough money to do everything you want. Don't go into debt to bail them out. You can generate more if you all work together.
