Horoscope by Linda C. Black
TODAY'S BIRTHDAY (March 1): Two themes dominate this year: business and completion. Be decisive, not impetuous, in April. There's plenty of money in May if you stick to your budget. By August, you should find true love and your destiny, if you've been looking. December's full of challenges and surprises. Follow your higher self's advice then. Share old stories with friends in January and give up an old habit of criticizing yourself before then. To get the advantage, check the day's rating: 10 is the easiest day, 0 the most challenging. ARIES (March 21-April 19) — Today is a 5 — Don't let your worries get in the way of making a profit. Don't be intimidated by an older person who owes you money, either. If the facts are on your side, the cash flow will turn in your favor. Be nice, but firm. Lining your temper would be counterproductive. TAURUS (April 20-May 20) — Today is a 7 — This might seem like it ought to be a good day to travel, but it's not. If you must, stay alert. Avoid traffic jams, whenever possible. Just about everything may take longer than usual. GEMINI (May 21-June 21) — Today is a 5 — You're working hard, but you might not feel like you're getting anywhere. You're hampered by confusion and complications. Know what the rules are and comply with them. Get your facts straight. The extra trouble will ensure your success. CANCER (June 22-July 22) — Today is a 7 — Expect complications, detours and misunderstandings. Check all the directions twice and confirm all appointments. Silly little things could prevent you from doing what you want. Don't rely on a partner; you might be the one who solves the problem. LEO (July 23-Aug. 22) — Today is a 4 — You're busy, and the job's not easy. You may be afraid that you won't get paid what you're worth, either. Did you get everything in writing? Don't take a risk, with either your time or money. Try not to leave much to chance. Get legal help, if necessary. VIRGO (Aug. 23-Sept. 22) — Today is a 7 —
