Horoscope by Linda C. Black TODAY'S BIRTHDAY (March 2). This year ponder the past and your future, and you may find a way to shed old fears. You've given up on a tough assignment before. If you don't give up in March, you might achieve mastery. A surprise brings money in April, but it could go just as fast. You'll learn well in May if you follow the rules. In August, the way you should serve should be clear. Head a loved one's urging in November, but follow your own common sense. A secret about your career is revealed in December. Most of February is best spent planning. The more homework you do, the higher your chances of success. To get the advantage, check the day's rating: 10 is the easiest day, 0 the most challenging. ARIES (March 21-April 19) — Today is a 7 — You and your buddies accomplish quite a lot when you're all on the same track. Set your goals so everybody knows what needs to be done next. You're teaching and learning from each other, and that's good. Minimize travel, though, and keep costs down. TAURUS (April 20-May 20) — Today is a 6 — The thing you'll be most successful at can be quite difficult sometimes. This could be one of those days. If you're running into new barriers, that's because you've already gone past all the old ones. Congratulations! Accept coaching from a friend. GEMINI (May 21-June 21) — Today is a 7 — If anything of yours involves higher education, travel or the law, expect setbacks. Getting your meaning across could be difficult. Be as clear as possible, especially with those who speak different languages. It'll be worth the effort. CANCER (June 22-July 22) — Today is a 6 — There might be complications with travel again, so take care. If you're in school, you may feel kind of thick-headed. Just go over the material again and again. It'll get through, eventually. Don't spend impetuously, either. Take your time and do it right. LEO (July 23-Aug. 22) — Today is a 5 — How are you and a partner going to spend the money you share? Take a few notes so that there isn't a misunderstanding. Don't let nickels and dimes wreck your friendship. If you're considering a big purchase, little details become even more important. VIRGO (Aug. 23-Sept. 22) — Today is a 5 — You are swamped. There's way too much for one person to do. Your partner doesn't seem to be much help, either. You're in a potentially stressful situation. Do you have a friend who always helps you calm down? Even if it's long distance, call. LIBRA (Sept. 23-Oct. 23) — Today is a 6 — You're pretty lucky, but there could be complications. Better not gamble now; it's not a sure bet. Love should go well, too, especially if you don't get into an argument about money. Emotions are running high, so avoid touchy subjects if you can. SCORPIO (Oct. 24-Nov. 21) — Today is a 6 — A lot is going on at home. You want to be there, so change things around so you can. Others want your attention, too, of course. You're a popular person! Save time and attention for the folks you love the most. SAGITTARIUS (Nov. 22-Dec. 21) — Today is a 5 — A few things need to be discussed at your house. A couple of things need to be fixed, too. You know it's a good idea, but you might not know how. You might not want to change, either. Learning new skills will make everything easier. CAPRICORN (Dec. 22-Jan. 19) — Today is a 7 — Quite a bit of money could be coming in. This is because you're imaginative and creative and you work hard. It could also be due to a coupon you sent off or taxes you don't have to pay. Don't spend this windfall, however. All might not be as it appears. AQUARIUS (Jan. 20-Feb. 18) — Today is a 6 — You're looking pretty good. You still need to watch your money, however. If a friend is having financial difficulties, recommend a good bank. Don't make a loan yourself; that could lead to trouble. Don't be a borrower, either, by the way. PISCES (Feb. 19-March 20) — Today is a 6 — You're pushed to take care of something important. You've been avoiding it, but that's not a good idea. Don't worry, either. This could be easier than you thought. Just take it one step at a time.
