Horoscope by Linda C. Black TODAY'S BIRTHDAY (March 7). Money's important this year, and how you spend it is important, too. Consider an old promise in March; then follow through on it in April. Abundance is yours in May if you follow strict rules and regulations. Common sense is your best guide in August. You're learning and growing all year to advance in status around December. With luck and good planning, a dream can come true around February. To get the advantage, check the day's rating: 10 is the easiest day, 0 the most challenging. ARIES (March 21-April 19) — Today is a 7 — You're looking good. You're bold, brassy and assertive. You and your friends will be able to accomplish just about whatever you go after. If you can be gentle, too, you'll make a perfect score. Don't let your enthusiasm make you insensitive. TAURUS (April 20-May 20) — Today is a 6 — Dig in your heels and make what you want clear. Don't let anybody else push you into doing something that's against your best interests. If you decide to do it, fine. If not, then politely decline. Know what you'd be getting into. GEMINI (May 21-June 21) — Today is a 7 — Are you grounded? Your friends want you to come out and play, but responsibilities take precedence. You're smart, good looking and lucky. Make sure you do what you said you would, and you might even get to go play. Don't waste time arguing! CANCER (June 22-July 22) — Today is a 6 — You might be more sensitive than usual to criticism. Unfortunately, somebody you know has a short fuse. Don't get bullied around. The other person's agitation may have nothing to do with you. Be nice but don't take any guff. LEO (July 23-Aug. 22) — Today is a 7 — Your situation has improved. It's still a good idea to be cautious with your money, but you should be getting used to that by now. Instead of feeling pinched, feel prosperous. Find a way to do something that will be a lot of fun — and within your budget. VIRGO (Aug. 23-Sept. 22) — Today is a 6 —
