While senior A.D. Smith can only look back, Flo Hartenstein, Chris Christoffersen and Anthony Norwood look to next season.

Freddie Jones, low-scoring forward Flo Hartenstein and exuberant junior Bryan Bracey.

But perhaps the most vital area where Oregon need production is with its recruiting class. Kent has brought in four prep standouts, headlined by McDonald's All-American Luke Ridnour from Blaine, Wash.

Ridnour, who was named Washington boys player of the year, recently led his Blaine High School team to back-to-back 2A state titles and finished his career with a total of 2,371 points (third best all-time in Washington). He will be on national display tonight

at 5 p.m. on ESPN in the prestigious McDonald's All-American game.

Kent also recruited sought-after local talent in 6-7 forward Luke Jackson of Creswell High. Jackson recently was awarded with his second straight Oregon 3A player of the year award, while leading his school to the state championship. His prep point total of 2,095 ranks fourth all-time in the state of Oregon.

James Davis, a 5-10 guard from Vancouver, Wash., and 6-9 forward Jay Anderson from Faribault, Minn., round out the class.

"This past season might go down as one of the best teams in Oregon history," Kent said. "Yet at the same time, I think the program is still working on where we all want to be."

Junior forward Bryan Bracey says he's 'ready already for next season' and will certainly be ready to throw down more sweet reverse jams like the one above.

Horoscope by Linda C. Black

TODAY'S BIRTHDAY (March 29). Keep studying and mastering new skills. Once you pass the test, you can relax with friends. A foreigner boosts your self-esteem in April. It seems like you're made of money in May, but conserve or you'll use it all up. Lack of funds could inhibit your fun in August. Upgrade your image with a foreign flare in December. Together your team wins in February if you manage resources wisely. You're way ahead of the gossips in March.

To get the advantage, check the day's rating: 10 is the easiest day, 0 the most challenging.

ARIES (March 21-April 19) — Today is a 6 — Your load could lighten quite a bit, as the day goes on. This is not a good day to launch new projects. Finish up old ones, instead. If you've been working on a deal that will bring in money, close that sale. Relax later with good friends.

TAURUS (April 20-May 20) — Today is an 8 — You're still looking good. Conditions are changing, though. You'll have to answer some tough questions, soon. Don't waste this beautiful day on fun and games. Study, too. At least one pop quiz is coming tomorrow or the next day.

GEMINI (May 21-June 21) — Today is a 6 — You may not think you're a practical person, but you can learn. Don't put off this assignment much longer. You need to know how much you have, how much you're liable to get, and how much you'll need. Take care of this now so you can play later.

CANCER (June 22-July 22) — Today is a 7 — You and a partner need to put your heads together. It's important to agree on what you want to get next and how you're going to get it. New opportunities can be exciting, but right now they look scary. Talking with an older person will help.

LEO (July 23-Aug. 22) — Today is a 6 — You know a lot of work needs to be done, and that's good. The money should follow soon. Right now, you have to do what's required. You don't get to be the leader, either. Show you can be a good follower, first.

VIRGO (Aug. 23-Sept. 22) — Today is an 8 — You've had some excellent days. This one isn't bad, but conditions are changing. You'll have to concentrate more on your work for the next day or two. The puzzles will become more difficult. Don't worry. You can do them.

LIBRA (Sept. 23-Oct. 23) — Today is a 7 — You've had to make some tough compromises over the past few days. There'll be a slight shift in your favor. A get-together with friends will be fun. Tell them what happened. You may discover they think you've won more than you have!

SCORPIO (Oct. 24-Nov. 21) — Today is a 7 — You've learned quite a lot over the past few days. You should be ready to take a break. If friends are over, choose an activity that's different. No need to get fancy. Don't invite anybody with whom you have to keep up pretenses.

SAGITTARIUS (Nov. 22-Dec. 21) — Today is a 5 — You've focused on making money, and that's good. Finish what you've been working on and submit your invoice. You should go into a learning phase over the next few days. If you can study in a private setting, do it.

CAPRICORN (Dec. 22-Jan. 19) — Today is a 7 — You're probably right, but try to avoid an argument. Even if the other person's driving you crazy, be patient. Be a good teacher. Instead of worrying about another's limitations, think about something nice you can get for a friend.

AQUARIUS (Jan. 20-Feb. 18) — Today is a 5 — You may feel pressed initially, but you're gaining influence as the day goes on. Your home and family need attention, so don't get distracted by work or social obligations. The people who are closest to you should take top priority.

PISCES (Feb. 19-March 20) — Today is a 7 — If you're working with a team, you should do well this morning. Don't worry if you haven't solved the problems by yourself. More study may be required. You also come up with good ideas in your sleep, and that could happen again.
