**TODAY'S BIRTHDAY** (March 31). Money requires careful management or scarcity could replace abundance. Curtail your urge to spend recklessly in April. A surprising development costs more than you'd planned but could lead to an increase in revenues, too. If you treat every cent as if it were your last, it won't be. Learn from your teammates in June and spend July close to home. A child's request takes top priority in August. Look out for others in September. You could go up a notch around December, but wait until February to relax. Heed a woman's soft warnings next March.

To get the advantage, check the day's rating: 10 is the easiest day, 0 the most challenging.

**ARIES** (March 21-April 19) — Today is a 5 — An idea that should generate money for a group activity might not work. Don't get too involved with any of the suggestions that come up now. You need to get together with your teammates. The winning plan hasn't been generated yet.

**TAURUS** (April 20-May 20) — Today is a 6 — You may not be in the mood to let anybody tell you what to do. A compromise is possible, but not without taking your wishes into consideration. You won't let anybody boss you around, no matter who they are. Let them know where you stand.

**GEMINI** (May 21-June 21) — Today is a 6 — You may try to get out of town for most of the day. It might be possible if you're efficient. You might have to take a detour to get to your destination. Do the planning so you discover this ahead of time instead of while you're out there!

**CANCER** (June 22-July 22) — Today is a 6 — You're best-qualified to make the deal. Your friends may be more of a hindrance than a help, so this is not a job you can delegate. First, figure out who has what you want. What do you have that he or she needs? All you have to do is work a trade.

**LEO** (July 23-Aug. 22) — Today is a 6 — A big mess is brewing out there. You're creative, and you have some good teammates on your side. An older person is giving you fits, but that's OK. You and your buddies can get around that roadblock. Your positive outlook
