Live365.com

Internet Radio's 'Dirty' Little Secret

Unregulated
Unformatted and
Downright
UN-AMERICAN

Attention unsuspecting citizens!!!

Be warned that a new form of radio -- digital crack is more like it -- is about to be unleashed upon an unsuspecting nation. Called Live365.com, it is nothing less than a plot to lure an entire generation of young hearts and minds into an incredibly hypnotic world of sonic addiction. Once they've got us hooked, the powers-that-be will start pumping the happy juice into the water supply and using our fillings to manipulate our brain waves.

As this confidential document clearly shows, Live365.com is an Internet radio service that may be the brainchild of the Russians (the government hated the government).

FACT 1

Live365.com is many times more powerful than regular radio!!!!!!! Regular radio plays the same music over and over and has big blocks of commercials to break everything up. There's no way you can listen to it for any extended period. Live365.com, on the other hand, has a wondrous amount of stations with something for everyone. Any time, day or night. Plus, they even let you broadcast your own radio. With no license and no rules. Probability of moral decay??? 100%!!!!

FACT 2

Live365.com is FREE to broadcasters and listeners alike. Hmm, can you think of any other place where everything is free? Say, Russia for example!!!!

FACT 3

***Live365.com begins with the word live and live spelled backwards is evil!!!!

That's right, pure evil 365 days a year. And don't even get us started on the "com" part. Can you say Audio Abomination!?

LIVE 365.COM 

??????? coincidence?????????
Think again, comrades.

Stand up for America!!! Give those wackos a piece of your mind at www.live365.com! Be sure to stuff cotton in your ears (and DON'T look directly at the monitor).

Paid for by the citizens against live365.com

Wrong for America
