

Foul play

continued from page 7A

Moltke-Leth, who was keeping score for Parmlid, initially wrote down the freshman's score on the par-four 14th hole correctly as a par. When the group sat down to tally the scores after the round was over, Parmlid changed that to what she thought was the correct score: a birdie three.

"Our whole team is wondering how you could sign a wrong scorecard," Kung said. "Especially when it's a birdie or a par. You're on the green and you one-putt, or you're on the green and you two-putt. That's pretty much the whole thing."

After the playoff and the awards ceremony that followed, tournament officials were told about the discrepancy, and Parmlid's score was disqualified.

Several season awards were announced at the ceremony following the tournament. Kung, Parmlid and Moltke-Leth were named to the All Pac-10 team, along with Arizona senior and No. 1-ranked Jenna

Daniels, Arizona State freshman Miriam Nagle and Arizona sophomore Cristina Baena. Nagle won newcomer of the year honors, the first time the award has been awarded by the Pac-10. Arizona head coach Todd McCorkle won the coach of the year award.

"I just show them where the tee is and they make me look good," McCorkle said.

The Ducks will head to the West Regionals with the rest of the Pac-10 in less than two weeks. The tournament will be held in Tempe, Ariz., May 11-13.

Ducks finish fourth at men's Pac-10s

The men's golf team beat the Arizona heat for the third straight day and ended up eight-under par — and somehow in fourth place — at the Pac-10 Championships.

The Ducks were unlucky to play some of their best golf of the year the same three days that No. 4 Arizona State played their best golf of the decade. No. 39 Oregon State shot some of their best golf ever to finish second, and No. 50 California did well to finish in third.

"Our guys fought and played hard," Oregon head coach Steve Nosler said. "We just didn't get the career rounds that we needed in order to win."

Arizona State did get a career round out of junior sensation Paul Casey. The Surrey, U.K., native broke Tiger Woods' Pac-10 record for a par-72 course, shooting a 23-under par 265 to win his third straight Pac-10 individual title. The title was Arizona State's sixth straight Pac-10 crown.

Oregon senior co-captain Ryan Lavoie joined freshman Chris Carnahan at 12th place overall to lead the Ducks. Lavoie shot a four-under par 68 on the final day and improved his score every round. Carnahan did not have a round above 73 all week.

"Ryan is definitely our team leader," Nosler said. "It showed this week."

The men, unlike the women, will play one more tournament before the West Regionals in Fresno, Calif., May 18-20. The Ducks play in the U.S. Intercollegiate in Palo Alto, Calif., May 6 and 7.

Arizona State's Miriam Nagle is the first ever Pac-10 'newcomer of the year.'

Horoscope by Linda C. Black

TODAY'S BIRTHDAY (April 27). First one test, then another, must be passed. With study and persistence, the prize can be attained. You're charming in May, but that's not enough. You also need self-discipline to win a tough game. Push hard in June to get your point across. In July, learn something that illuminates your path. Gather support in September. Your experience gives you the edge in November. Go back to a sure thing in December and heed your elders in January. Once you're past the barrier in February, the prize is almost yours. It's within your grasp in March. A friend can boost you up. Only repeat kind words in April. To get the advantage, check the day's rating: 10 is the easiest day, 0 the most challenging.

ARIES (March 21-April 19) — Today is a 6 — Expect a bit of conflict today. Don't invest in a friend's scheme and don't contribute heavily to your favorite charity, either. Instead, figure out ways your friend and your charity can make the money themselves. You all might end up with a profit.

TAURUS (April 20-May 20) — Today is a 6 — You're strong — and getting stronger. You're facing a little opposition, however. Instead of feeling like you know everything, listen to an older person's advice. Even a suggestion that seems silly, at first, could turn out to be quite wise.

GEMINI (May 21-June 21) — Today is a 6 — You may miss a connection today if you're not careful. If you're going to school, for example, you could be in one of those huge hassles with the administration. Don't expect them to think of everything. Be nice, but also be creative — and, alert.

CANCER (June 22-July 22) — Today is a 5 — You're going to stand by, most likely, and watch others argue. What can you do to protect your interests? You want to be kind and compassionate, of course, but don't forget your objectives. Clear up a misunderstanding before it costs you money.

LEO (July 23-Aug. 22) — Today is a 6 — Your partner could come up with a strange suggestion. You may not feel comfortable going along with it, but don't reject it out of hand. It could lead to a way to outvote a mutual adversary. Why not try something weird if all the ordinary schemes haven't worked?

VIRGO (Aug. 23-Sept. 22) — Today is a 5 — A lot of stress is out there. Some strong individuals are battling for supremacy. Stay out of the middle and have a plan ready. You may be the one who suggests the winning course of action.

LIBRA (Sept. 23-Oct. 23) — Today is a 6 — Take your time and get things right. Your finances deserve your full attention. You might accumulate a great deal of wealth from your actions over the next few days. It's certainly worth a try, anyway. Get professional advice if you need it.

SCORPIO (Oct. 24-Nov. 21) — Today is a 5 — A lot of things need to be talked about; that's for sure. You and your mate could have a bit of a tiff. The other person is like a brick wall, actually. Don't try to negotiate everything. If you get one main point that you care a lot about, consider it a victory.

SAGITTARIUS (Nov. 22-Dec. 21) — Today is a 5 — Unfortunately, you don't have time to try a new idea that might work better, eventually. Don't venture into unfamiliar territory now. You don't have time to make a mistake. Instead, stick with what you already know. Just do it faster.

CAPRICORN (Dec. 22-Jan. 19) — Today is a 5 — Love and money conflict. You might not be able to buy something for a loved one. Or, you might be trying to impress somebody by spending more than you can afford. Can you see the folly here? Work together, instead.

AQUARIUS (Jan. 20-Feb. 18) — Today is a 5 — You probably feel strong, idealistic and wildly imaginative. You may feel rather frustrated, too. The problem you're immersed in this time is a tough one. It's causing you to try things you've never done before. Take care.

PISCES (Feb. 19-March 20) — Today is a 4 — Are you trying to get something you want from the government, a big company, a school or a hospital? If things aren't going your way, don't despair. Don't give up, either. Patience is required. It won't hurt to make a few friends on the inside, either.
