and it was 7-0 Green team after an impressive opening drive that took only 39 seconds.

"We were all pretty pumped coming off the sideline there," said Harrington, who completed 8 of 10 passes for 185 yards and one touchdown. "We expected to move the ball and we did."

A.J. Feeley, who split time with Harrington on the Green team, had a frustrating afternoon as the elbow on his throwing arm continues to bother him. Feeley said he's not where he needs to be and that his 3-of-10 performance for 30 yards was the least of his concerns.

"It was nice to play in front of the crowd today, but it's just disappointing the way everything worked out for me," Feeley said. "But I'm not going to dwell on that. I just have to look ahead and get healthy."

With Feeley's questionable status, the need of a solid third-string quarterback is vital. Enter Jason Fife.

The redshirt freshman presumably won the No. 3 QB spot over fellow freshman Orlando Evans. Fife began the game with the White team and went 4 of 6 for 37 yards. But it was in the second half, when Harrington and Feeley never left the sidelines, that Fife was most impressive.

At command of the Green team, Fife directed the offense to two touchdowns en route to a 10 of 11 second half showing for 149 yards.

While he spoke afterwards, he happily signed autographs for kids and said he wasn't nervous about directing the first-team offense.

"I was excited," Fife said. "I was like, 'All right, cool. It's an opportunity, let me take it.'"

Both touchdown drives that Fife directed (71 and 79 yards, respectively) ended with the ball in fullback Josh Line's hands, as he continued to delight Bellotti with two one-yard scoring plays.

"I thought it was a good outing, and I think we got a lot of things done," Line said. "The main thing now is to carry it on to next year and build off it."

Also scoring a touchdown was tight end Justin Peelle who capped a 71-yard scoring drive late in the second quarter when he shook off two tacklers for the 39-yard touchdown reception from Harrington.

Oregon did show up on defense too, as the two team's combined for eight quarterback sacks. Free safety T.J. Tomlin had a game-high six tackles.

Although there were plenty of things to be pleased about, Bellotti was most satisfied that there were no significant injuries.

"I can't tell you how great that is," said Bellotti, who noted that Al Cotton (sore shoulder) and Seth McEwen (sprained ankle) would be fine. "To play the game, get everybody a lot of action and be healthy gives us a great start [on next season]."
