What a weekend for Jill Robinson.

In the three final Pacific-10 Conference home games of the senior's career she set two new school home run records.

On Friday, the Winton, Calif., native belted the 32nd

home run of her career, breaking a tie with Kathy Stahl for most career home runs. Then on Sunday, she crushed her 15th tater of the season, moving past Katie Mackey for the most in a single season.

"I was ready to go," Robinson said. "I was really focused and really intense the whole game. I wish cameras were here so I could smile for them."

Unfortunately the team did not have as much success as Robinson did, dropping two of

the three games. On Friday, the No. 16 Ducks (34-24 overall, 6-12 Pac-10) lost to No. 10 Stanford 2-1, and then to No. 9 California 4-0 Saturday.

But the Ducks got the win they needed Sunday, beating Cal 4-0 and sending the seniors out winners.

"We got together right before the game and talked about how we needed to send them out on a good note," head coach Rick Gamez said. "They laid it all

## UO pleasantly surprised by NCAA berths

For the first time in Oregon history, both the men's and women's tennis teams are headed to the NCAA Tournament

After a tumultuous regular season and weeks of uncertainty, the Oregon tennis teams are both on their way to the NCAA tournament.

For the first time in school history, both the men's and women's squads qualified for the NCAA Tournament after mixed showings at the Pacific-10 Championships on April 30.

The Duck men take on Fresno State in the first round on May 13. The 14th-ranked Bulldogs are 23-4 on the season and won the Western Athletic Con-

ference crown this season. A loss in the WAC championship semifinals ended an impressive 18-game win streak for Fresno State. The Bulldogs are talented and experienced. No. 32 Peter Luczak holds the No. 1 singles position, followed by No. 42 Olivier Lefuene and No. 82 Rob Cheyne.

Fresno State "is a very solid team. They've played consistently and hard all season," head coach Chris Russell said. "But it's not like we haven't seen this level of play before."

The NCAA berth is only the second in school history for No. 60 Oregon. Four players from the 1998 qualifying team remain: Seniors Guillermo Carter, Joaquin Hamdan,
