ORTHO-CLINICAL DIAGNOSTICS

Johnson & Johnson Company Johnson & Johnson Ortho-Clinical Diagnostics, the leading manufacturer of clinical chemistry analyzers is seeking a Field Engineer to be a part of their Customer Technical Support Group covering the Eugene, Oregon area.

This position requires an AAS degree in either the electronic or Electro-mechanical disciplines. An understanding of laboratory chemistry desirable. As an on-site Field Engineer you would be expected to install, maintain & repair Johnson & Johnson Vitros Analyzers and accessories for our customers. Other responsibilities/special skills needed are: Strong interpersonal & customer relations skills, use of a laptop computer for both diagnostic and administrative purposes, and the ability to perform expected job duties with minimal supervision.

Also as a Field Engineer you would be expected to work overtime as required, as well as participate in a rotating on-call standby rotation. Applicant's employment is subject to the successful completion of a pre-employment physical, drug screening, clear driving record and general background check.

We offer competitive salaries and the comprehensive benefits you would expect from a member of the Johnson & Johnson family of companies, the world's largest and most comprehensive manufacturer of health care products. We are an equal opportunity employer and value diversity in the workplace. Please fax resume, references & salary history to Robin Gallagher, 562-430-4170.

Elder Care! Evenings 32hr/wk. \$7 starting. Submit letter, resume & references by 5/15 to PO Box 3087 Eugene, OR 97403.

NetCorps

Want to use the latest in communication technologies to make a difference?

Join the NetCorps team!

We are a nonprofit organization dedicated to empowering communities through technology assistance.

NetCorps is a Eugene based nonprofit that provides technology and training assistance to progressive grassroots nonprofit organizations across the country. We specialize in innovative on-line tools, including dynamic sites and intranets, as well as working with groups to create comprehensive technology plans.

The following positions are currently available:

Experienced ASP/Database Programmer

We are hiring ASP developers for our rapidly expanding consulting services. Will play a key role in developing challenging components, supporting current clients, researching into applying cutting edge tools and helping systematize the products and services we offer.

Must be skilled in web-based Access/SQL server development and object-oriented programming. Part-time or full-time with benefits, competitive pay depending on level of experience and related skills. Some examples of our recent database driven web projects include www.trca.org and www.foodsafetynow.org. Visit our web site for more info: www.NetCorps.org

Submit the following: resume and/or portfolio with cover letter, when you are available to start and the number of hours you are available. EMAIL by 5/15/00 to: Tony Kaperick, Director of Consulting, Tony@NetCorps.org.

Summer Interns

We're looking for students interested in progressive grassroots social change with computer proficiency in one or more of the following areas: website design and development, office networking (LANs), Internet tools and database management. Join the pool of technology savvy university students who will become the next wave of nonprofit leaders.

Submit a resume or description of your skills and interests by 5/19/00 to: Stephanie@NetCorps.org or call (541) 465-1127 for details.

NetCorps is an equal opportunity/affirmative action employer.
