Horoscope by Linda C. Black

TODAY'S BIRTHDAY (May 10). If you take
care this year, you can get things just the way
you want them. Start with a new wardrobe and
self-image in May. Get the raise you're after in
June. Learn new skills in July and apply them in
August to have the home of your dreams. Make
a romantic commitment in September and
cinch a partnership in November. Re-
arrange your money to make more in Decem-
ber and explain your position to critics in Feb-
ruary. You don't receive stability this year; you
provide it.

To get the advantage, check the day's rating: 10
is the easiest day, 0 the most challenging.

ARIES (March 21-April 19) — Today is a 5
— You should feel good, but you may not ac-
complish much. It's not your fault. The logjam
you're running into is not of your making, so
don't feel guilty. Learn as fast as you can and
hold onto as much money as possible. Don't
gamble.

TAURUS (April 20-May 20) — Today is a 7
— You can't do this, that or the other thing. Ex-
pect obstacles — and a positive outcome, too.
Some of these things aren't worth the bother.
Scratch them off your list and focus on the most
important objectives.

GEMINI (May 21-June 21) — Today is a 4 —
You may feel like the weight of the world is on
your shoulders. You're stuck in mud, too. Don't
worry. Conditions will improve soon. Mean-
while, don't use your precious energy strug-
gling with something you can't change.

CANCER (June 22-July 22) — Today is a 7
— Hold onto your money. Don't part with a
cent. If others want to give money to you, fine.
Accept graciously. You have plenty of love,
and that's the most important thing. The money
you can do without. But, don't waste it!

LEO (July 23-Aug. 22) — Today is a 5 —
Don't expect things to move quickly. An argu-
ment or discussion could last all week. Make
your point and then make it again — and again.
People are too busy figuring out what they're

going to say to be good listeners — yet.

VIRGO (Aug. 23-Sept. 22) — Today is a 7 —
You may be concerned that you forgot an im-
portant detail. You might have, too. Odds are
good somebody did. Better check things over
one more time, especially the difficult stuff.
You're good at finding these bugs, so don't fret.

LIBRA (Sept. 23-Oct. 23) — Today is a 5 —
You may want to play with your friends, but
that's unlikely. You're probably too busy. Don't
feel bad. A lot of this is going around. Sched-
ule social events for later in the week. You'll be
good and ready to relax by then.

SCORPIO (Oct. 24-Nov. 21) — Today is a 6
— This could be a good day to discuss a part-
nership agreement. Don't sign the final papers,
however. You need to consider all the possible
consequences first, and you haven't, yet.

SAGITTARIUS (Nov. 22-Dec. 21) — Today
is a 5 — You should learn quickly, especially
from friends. Get as much coaching as you can
from everybody. Some of it will be worthless,
so don't do everything they say. Use your good
judgment. You're becoming the expert.

CAPRICORN (Dec. 22-Jan. 19) — Today is a
7 — You're pushed to make an important deci-
sion. If you want to buy something expensive,
wait a little longer. You may be able to make
a better deal later in the week. Waiting a few days
could save you a lot.

AQUARIUS (Jan. 20-Feb. 18) — Today is a 4
— Things are solidifying, as you may have
noticed. You can still make changes, but it's get-
ting more difficult. By tomorrow, you might
not care about this topic any more. You may be
stuck with what you have now for years. Make
it nice.

PISCES (Feb. 19-March 20) — Today is a 7
— You've studied and studied, but using your
new skills in real life isn't the same as reading
about it. This is more complicated than you
thought it would be. You're still learning. Just
keep practicing.

Plan events in The Buzz!

Be responsible for bringing cool events to campus!
The Programming Coordinator position in the Buzz is
now available. Training will begin this term with the
position starting next Fall. Pick up a position
description and application at The
Buzz. This position is only open to UO
students. Application deadline is
Friday, May 12th, 4pm.

Work Study or Tech work preferred but not required.
