

**NOTICE:**

# Financial Aid Counselors appointment schedule change

Beginning Monday, May 15 and until June 30, counselors in the Office of Student Financial Aid will be available for drop-in appointments in the afternoons only. Office staff will continue to be available to assist students from 8:00 AM to 5:00 PM.

This change is being made so the counselors can complete necessary evaluation and updating of financial aid applications for students enrolling this summer and next fall. A dramatic increase in applications (25 percent more scholarship applications and 10% more financial aid applications) coupled with unexpected staff vacancies make this step necessary.

Besides the Bruins, Oregon State, Washington, Washington State and California also ended their seasons. Oregon State will host the NCAA Championships, despite finishing last at West Regionals.

Olympic Trial standard of 7,900. Competition of the 10-event contest started at noon on Saturday.

"I'm happy with my score, it's about a 120-second PR," Hart said. "I was pleased because Ed trained me all the way through Wednesday. We didn't really take a break for this."

"It showed through the high jump, long jump and hurdles, but I came up big in a couple other events."

Oregon's Santiago Lorenzo finished in second place with another personal-best score of 7,649. The native of Argentina also fell just short of his country's Olympic standard.

"I'm so happy. After the first day, I wasn't very pleased," Lorenzo said. "But the hurdles came out very well, and I did my best three throws ever."

Oregon's Billy Pappas finished fourth with 7,184 points behind Washington's Jacob Predmore,

who finished with 7,298. Doug Sells finished ninth with 6,615 points. Both Pappas and Sells also had personal bests.

"Overall, I'm very pleased and very proud of these guys," Oregon decathlon coach Bill Lawson said. "Oregon just scored 13 points toward the Pac-10 title."

Lorenzo was just 48 points behind Hart after outscoring him 704 to 667 in the discus throw with a mark of 137-8. However, Hart's blistering performance in the pole vault earned the Golden Bear 1,035 points. Hart never looked back after that.

Lorenzo put the nails in his second-place finish with a field-best 193-4 throw in the javelin.

"His overall strength and conditioning have yet to improve," Lawson said. "I fully expect Santiago to be an 8,000-point decathlete before he graduates. I don't know if he can make a serious run at Oregon's record, but I think he's going to be a player in the NAAs to come. You don't want to put too much pressure

didn't handle the pressure well, and boy, did we handle it well."

She should be proud. The Ducks recovered from disappointing finishes at the Ping/Arizona State Invitational and the Oregon-hosted Pac-10 Championships.

The NCAA Championships will be held at the Crosswater Resort Golf Course in Sunriver.

on the guy."

Pappas was in close contention for second place throughout both days of competition, but lost the most ground on Predmore in Saturday's high jump. He scored a 670 in that event by clearing 6-0 3/4, about four inches less than what he cleared at the Texas Decathlon in Austin last March.

The 110-meter hurdles was Pappas' strong point of the meet. He finished second with a score of 840 in that event.

Sells' ninth-place finish didn't give Pac-10 points to Oregon, but it was a learning experience for the freshman. Low scores in the final two events — the javelin and the 1,500 — prevented him from making a run at eighth place.

**Overall, I'm very pleased and very proud of these guys.**
