

Alumni rugby team beats students

■ The Oregon alumni rugby team prevails against their predecessors in the annual Ducks vs. Ducks match

All the alumni team needed to beat the younger more physical Oregon Club Sports rugby team was a couple of former regional all-stars, a former all-American, an active professional rugby player, two Oregon coaches and some extra help from the sideline.

The endless attack by the determined alumni team, which had not won the alumni match in two years, simply overwhelmed the younger Ducks.

The current Oregon players felt outnumbered. And they were actually right sometimes — because the elders had more players were on the field.

Bob Snyder, the current coach of the men's team and a graduate of '83, kept the alumni team fresh by changing the players frequently. He also helped the team by scoring a try. Sean Peters, who coached his last season this spring, also contributed with two tries.

Less than ten minutes into the game the alumni were up by three tries. But the younger Ducks weren't worried.

"We thought they will get tired in the second half, but they didn't," freshman Zaid McKie said.

"Hurrah! Hurrah!" the alumni shouted victoriously from the sideline as their team accumulated tries.

The Ducks could do nothing but glare.

The alumni team dominated the game by "being at the right place at the right time" and when the Ducks dared to retaliate, fierce tackles led by Eric "Big Man" East cut off any extensive gain.

One of the objectives of this game is to provide the alumni with the chance to play with their old teammates and have fun.

They sure had fun crushing the Ducks, which ranked 18th in the nation at the end of the sea-

son, by a score of 63-22.

"Next year we will surprise them," Jeremy Andrew of the Ducks promised.

The hard-fought alumni match left several players injured, which included a player with a dislocated shoulder, allegedly a broken ankle and a bruised knee.

The players seemed OK as they laughed and talked about the game — some players even managed to return to the game, including the player who claimed to have a broken ankle.

The Ducks will continue on to play sevens, which is rugby played by seven players instead of fifteen, during the summer and resume its season in the fall.

Lewis celebrates birthday in court

ATLANTA — Baltimore Ravens linebacker Ray Lewis marked his 25th birthday Monday sitting in a Fulton County courtroom as his murder trial began with jury selection.

Lewis entered the courtroom a half-hour before co-defendants Reginald Oakley and Joseph Sweeting.

Neither Oakley nor Sweeting spoke to the NFL star as they came in.

The three are charged with murder in the Jan. 31 deaths of Jacinth "Shorty" Baker, 21, and Richard Lollar, 24, following a post-Super Bowl party.

Horoscope by Linda C. Black

TODAY'S BIRTHDAY (May 16). You may have to live with this year's choices for a long time. Be sure before you say you will. Saving in June may be hard. Ask for more, so you have some left over. Since you've done a good job, you could get it. By July your budget should be fixed, and so is your course. Your next big decision comes around November. Rewrite a contract to get more for home and family. A setback could be expensive in December, so don't gamble then. An older person can help you make a dream come true around February. To get the advantage, check the day's rating: 10 is the easiest day, 0 the most challenging.

ARIES (March 21-April 19) — Today is a 6 — How much of your money will you have to give to other people? Can you give more of it to people who will pay to have it, such as in your retirement account? You may need to get help with this. It'll be worth the investment.

TAURUS (April 20-May 20) — Today is a 7 — A partner will be significant today. You had your mind made up, but you might not have considered certain factors. You hate it when this happens, especially if the other person is right. Take care; it could happen again.

GEMINI (May 21-June 21) — Today is an 8 — The pressure you're under could push you into warp speed. You might even break your old record. It's worth a try. What have you got to lose? Nothing! What have you got to gain? Money? Your job? The respect of your peers? Go for it!

CANCER (June 22-July 22) — Today is an 8 — Your friends are there for you, and they'd like you to be there for them. Unfortunately, you also want to be with your kids or another loved one, at approximately the same time! What to do? Get a friend to cover for you at the meeting! Family comes first!

LEO (July 23-Aug. 22) — Today is a 5 — Everything today is in slow motion. Don't worry; it's like that for your competition, too. Stand up for your point of view. Shout, if necessary. If you don't, you could get steamrollered. You hate it when that happens.

VIRGO (Aug. 23-Sept. 22) — Today is a 7 — You may feel overwhelmed. Luckily, you can rely on friends, especially Taurus and Scorpio. Set priorities, do the things you must, and ask for help. You've done good deeds for them in the past; they may come through for you now.

LIBRA (Sept. 23-Oct. 23) — Today is a 6 — Money's important again today. Don't plan early social engagements; you'll be too busy counting, sorting and making the money you'll need. Later tonight, you may be able to get together with friends and loved ones and spend some of it.

SCORPIO (Oct. 24-Nov. 21) — Today is a 6 — You have a little extra energy. That is good. You love having a hidden advantage. The trouble is the competition's stronger, too! Maybe you should use that extra brainpower to figure out how to fight on the same side! Together, you'll be awesome!

SAGITTARIUS (Nov. 22-Dec. 21) — Today is a 6 — A lot of work must be done. This has been going on all month, and you're not through yet. Maybe you ought to get used to it. If you can and if you're cheerful, you'll make bonus points. Can you whistle?

CAPRICORN (Dec. 22-Jan. 19) — Today is an 8 — This looks like a fun day. You're not interested in wasting it, however. You don't have as much money or time to spare as some of the others. Don't worry about it. You're right. They should do as you do.

AQUARIUS (Jan. 20-Feb. 18) — Today is a 6 — You will run into opposition almost every time you turn around. You're looking good, however. If you can stifle your anger and turn it into creative energy, you could come out of this mess with a few more converts. It's worth a try.

PISCES (Feb. 19-March 20) — Today is a 7 — Travel beckons, but you may not be able to go yet. You have too many chores to do close to home. How to get around this dilemma? Planning, that's how. Make a list and a time line. Get a friend to help, and you can have it all.
