

EMU CRAFT CENTER

The EMU Craft Center is a comprehensive Arts Program offering well equipped facilities and workshops in most areas of the Visual Arts. Our program is both educational and recreational, encouraging all levels of interest, from beginning hobbyist to serious artist. Our intimate, informal workshops are taught by accomplished artists and crafts people. The emphasis is on high quality individual instruction designed to encourage you to pursue your creative side. Most workshops are offered in the late afternoon or evening to fit your class or work schedule. We also offer \$5 introductory workshops (see back page for listing). So, if you have an interest in art, or a favorite hobby, the EMU Craft Center at the University of Oregon is for you.
