The Safe Zone Project

University offices, staff, and students displaying or wearing the safe zone sign—a pink triangle with a green circle around it—are visible supporters of lesbian, gay, bisexual and transgender members of our community. These individuals or offices are indicating they will be understanding, supportive, and trustworthy if a gay, lesbian, bisexual or transgender student, colleague or ally needs help, advice or just someone to whom they can talk.

If you can offer yourself as a "Safe Zone," we encourage you to display this symbol in your office, on your clothing or backpack, or at home.

Safe Zone buttons, stickers and magnets are available at:
 Office of Student Life, 164 Oregon Hall • LGBT Office, 34 EMU
 Counseling Center, 210 Student Health Center • ASUO Office
 and other campus offices.

For more information on this or other services related to lesbian, gay, bisexual and transgender issues contact Chicora Martin, Director of the Lesbian, Gay, Bisexual, and Transgender Educational and Support Services Program, at 346-1134, or chicora@oregon.uoregon.edu
