Horoscope by Linda C. Black

TODAY'S BIRTHDAY (Sept. 25). Let your conscience be your guide this year. It'll keep you out of trouble. If you don't have a conscience yet, be smart. Don't develop one the hard way! Far horizons beckon in October, but do your homework first. Don't get into a deal that's hard to get out of. The money's good in November, but watch for strings. Hear the truth in December, and you'll know if you're on the right track. Head a loved one's advice in February, especially if you don't like it. Stick with a straight shooter in April, and by June you'll be headed toward success. Be sweet as peaches in July and make everything squeaky clean in September.

To get the advantage, check the day's rating: 10 is the easiest day, 0 the most challenging.

ARIES (March 21-April 19) — Today is a 4 — Not only is it Monday, but it could also be a mess. Just when you think you have everything working smoothly, something could go wrong. If you expect problems and have a Plan B ready, you won't be slowed down for long.

TAURUS (April 20-May 20) — Today is a 6 — Somebody else's loss could be your gain, and the other way around. Something you're trying to get rid of could be what another person wants. An investment in your business or the place where you work could pay off. Only buy if it's cheap.

GEMINI (May 21-June 21) — Today is a 6 — Take it slow and easy, as much as possible. You may feel nervous and pace back and forth. If you can relax, you'll save yourself some trouble. You won't burn as many calories, but you might make a better decision.

CANCER (June 22-July 22) — Today is an 8 — Expect lots of confusion today. You should wend your way through it, however. You're smart, and you're learning fast. Pay attention and have the information at your fingertips. You've got a good chance of winning this race.

LEO (July 23-Aug. 22) — Today is a 7 — You may feel an overwhelming desire to balance your checkbook, work out a new budget and cancel all subscriptions to magazines you never read. Don't fret; it's perfectly normal. It could lead to enough extra money to buy that new toy you've been eyeing.

VIRGO (Aug. 23-Sept. 22) — Today is an 8 — All of a sudden, people request your opinion. Better yet, they may actually take your advice. Some who need it most do not think to ask for it, however. In that case, go ahead and mention whatever it is they need to know. Nicely, of course.

LIBRA (Sept. 23-Oct. 22) — Today is a 7 — Check lots of details off your lists. The more you get done now, the more time you'll have for new projects later this week. First, clear off your desk, tidy up your closets and get rid of the stuff you don't use anymore.

SCORPIO (Oct. 23-Nov. 21) — Today is a 7 — You might be tempted to let a friend talk you into something. Before you commit, check it out thoroughly. You may find a problem the friend knew nothing about. You're better at that than most people.

SAGITTARIUS (Nov. 22-Dec. 21) — Today is a 7 — Watch out! Another quality control inspection's likely, soon. You're not in the clear quite yet. Keep your desk neat and your facts up to date. Don't cringe; it's not impossible.

CAPRICORN (Dec. 22-Jan. 19) — Today is an 8 — Keep your ear to the keyhole. Somebody else's error could make you look good. It always helps to know these things, so stay tuned in. Provide a service when somebody else goes up, and you could win respect and a bonus.

AQUARIUS (Jan. 20-Feb. 18) — Today is a 7 — Slow down and take care, especially where your money's concerned. You've had things pretty easy for a while, but it's not a good idea to get complacent. Check to make sure others are spending your money the way you want. Get proof.

PISCES (Feb. 19-March 20) — Today is a 7 — You and your partner or mate could have a change in plans. Something you were going to do to your house may not work as well as you expected. Once you put in the correction, you'll get on with the project. That might not be until tomorrow, however.
