190 OPPORTUNITIES

Adolescent girls face a world of sexual, emotional, social, and personal pressures often exacerbated by risk factors such as alarming rates of teen pregnancy, domestic and dating violence, drug and alcohol abuse. As girls grow through teen years, their self-esteem plummets as compared to boys. Mentors are essential in helping to serve as role models, offering friendship, guidance, and stability. Through CHOICE, Girl Scouts of Western Rivers Council helps at risk girls learn and practice skills needed to make wise and informed choices about their future while learning about resources and opportunities to practice skills for the real world. The CHOICE Program needs women to volunteer in the Eugene, Springfield, Marcola and Cottage Grove middle schools. As a group facilitator your role is to lead candid discussions and activities to help girls explore issues impacting their lives. You can make a difference in the lives of at risk girls who may have no one else. Contact Vanessa McDonald at 485-5911 Ext. 104 to sign up for a training being offered on October 15th or 22nd.

Horoscope by Linda C. Black

TODAY'S BIRTHDAY (Oct. 2). You may discover something new in your neighborhood this year. You may also get to visit distant shores. This ought to be interesting! In November start with a list of things you want to accomplish. You won't have to go far to find adventure in December. Tell someone who knows you well your crazy dreams in February. If you work together, you might make a few come true by June. Mind your manners to gain wealth in July. Keep a secret about money in September. To get the advantage, check the day's rating: 10 is the easiest day, 0 the most challenging.

ARIES (March 21-April 19) — Today is a 7 — Having to go back to work on such a nice day is a pity. If you can find a way around it, you probably will. Take care. There might be something only you can do, so don't drop that out. Don't spread yourself too thin, or you won't do a good job at any of it.

TAURUS (April 20-May 20) — Today is a 6 — A carefully calculated risk could pay off, but your timing has to be perfect. Better late than early, and if you have to wait until tomorrow, OK. You have a good chance of winning, but the path is full of chuckholes. Watch where you're going.

GEMINI (May 21-June 21) — Today is a 7 — The problem is one of communication. You think you're communicating well, but somebody else doesn't seem to get it. Instead of doubting your abilities, be patient. The other person's liable to change to your side, just when you least expect it.

CANCER (June 22-July 22) — Today is a 6 — Work looks kind of tricky. A breakdown's quite possible, so take care. Something you've recently learned may not work as well in practice as it did in theory. Don't be too embarrassed; just put in the correction and try again.

LEO (July 23-Aug. 22) — Today is a 7 — You should do pretty well, although it may not be the way you expected. You're learning all the time, so watch and listen as somebody does a big turnaround. Keep your money in your pocket until after the dust clears.

VIRGO (Aug. 23-Sept. 22) — Today is a 7 — Home and family require a lot of attention, and that can be irritating. Hold your temper and tongue, and you may learn something interesting. A change you thought would never happen could finally occur. Don't give up hope.

LIBRA (Sept. 23-Oct. 22) — Today is an 8 — You're clicking right along, making an even greater impression than you realize. It's not just what you know; it's also what you're learning. You can do just about anything, especially if you can save money and keep a secret.

SCORPIO (Oct. 23-Nov. 21) — Today is a 6 — Money's available, but it's not steady. Something about it's bouncy. You might even think you have more than you do. Better count it before you spend it. You might decide you can do without that new gadget.

SAGITTARIUS (Nov. 22-Dec. 21) — Today is a 7 — You're sensitive and caring, but a little eccentric. You may not know what you'll do next. You're keeping the others guessing. That's part of the fun, but show compassion. One person deserves an explanation. **CAPRICORN** (Dec. 22-Jan. 19) — Today is a 7 — Recent changes may impact your plans. Review the project before plunging boldly forward. Work you're involved with could bring a lot of revenue, but make sure you're on the right track before proceeding. Better safe than sorry.

AQUARIUS (Jan. 20-Feb. 18) — Today is an 8 — You're fascinating, and you have an interesting person charmed. Actually, you may have two or three. Avoid confusion and keep them as friends. They'll sort themselves out. Hold off on a major purchase. You might change your mind.

PISCES (Feb. 19-March 20) — Today is a 7 — Expect a little confusion, as you're being pulled in several directions. Instead of complying with everybody's wishes, figure out what would work best for you. It might be different than any of the options you've been offered.
