Chalise Baysa (2), in action against Florida State last weekend, hopes the Ducks can finish in the top half of the Pac-10.

ter she re-injured her medial collateral ligament in a tussle for a loose ball. David first injured her MCL against San Diego on Aug. 29th, then played in a game three days later against Santa Clara only to re-aggravate the injury. She missed Oregon's next game against Portland.

When David hasn't been injured, she has been one of Oregon's top performers on offense. She is tied with Baysa as the team leader in goals with three, and leads the team with eight total points. Her two assists tie her with Melissa Parker and Annie Murphy for second-best on the team, yet all of David's offense has come despite the fact that she has only started four games in an Oregon uniform.

### More Ducks down...and up

Midfielder T.J. Johnson, one of only three Oregon seniors, is also

questionable for this weekend's matchups after bruising a rib against Xavier on Sept. 22. The Eugene-native played in all of the Ducks' games this season before being injured.

At the same time, sophomore goalkeeper Jeanine Norstad returns to the Ducks' lineup this weekend after missing four games with a hyper-extended left elbow. Norstad had been sharing time with classmate Sarah Peters and had played almost two full games in the net before being injured.

### Let the records talk, and confuse you

Arizona State just can't get any respect.

Despite losing its first game of the season last weekend and having a 9-1 record, the Sun Devils are unranked in the NSCAA/Adidas poll. Maybe the coaches who voted in that poll looked at the teams that Arizona State beat up to have the Pac-10's best record. The teams include Eastern Michigan, Sacra-

mento State, Northern Arizona and Pittsburgh.

The Sun Devils have scored in every game they have played, and have scored more than three goals on five separate occasions. Arizona State has also played tough defense, giving up only seven goals in ten games — five of which came at the feet of Brigham Young last weekend.

Meanwhile, the Sun Devils' neighbor to the south, Arizona, has a record of futility. The Wildcats have a 3-6-1 record and were 1-6-1 heading into their own Starwoods Plaza Soccer Classic last weekend, where they defeated Long Island 2-1 in overtime and Northern Arizona 1-0.

Speaking of overtime, the Long Island match was the Cats' fifth overtime game of the season, and their second win in the extra session. After losses to Tennessee and Vanderbilt to open the season, all but one of Arizona's games have been decided by one goal.

Adolescent girls face a world of sexual, emotional, social, and personal pressures often exacerbated by risk factors such as alarming rates of teen pregnancy, domestic and dating violence, drug and alcohol abuse. As girls grow through teen years, their self-esteem plummets as compared to boys. Mentors are essential in helping to serve as role models, offering friendship, guidance, and stability. Through CHOICE, Girl Scouts of Western Rivers Council helps at risk girls learn and practice skills needed to make wise and informed choices about their future while learning about resources and opportunities to practice skills for the real world. The CHOICE Program needs women to volunteer in the Eugene, Springfield, Marcola and Cottage Grove middle schools. As a group facilitator your role is to lead candid discussions and activities to help girls explore issues impacting their lives. You can make a difference in the lives of at risk girls who may have no one else. Contact Vanessa McDonald at 485-5911 Ext. 104 to sign up for a training being offered on October 15th or 22nd.

**TODAY'S BIRTHDAY** (Oct. 3). You're into the books this year, so learn something useful. Like, how to turn your home into a personal paradise. Review old memories to find new ideas in October. Keep a lover's secret in November. Be creative in December and make a big mess in January. Fun and games with a crazy old friend look good for February. Play by the rules to take new ground in June. Hold out for the best deal in July. A critical coach prods you to do a better job in September.

To get the advantage, check the day's rating: 10 is the easiest day, 0 the most challenging.

**ARIES** (March 21-April 19) — Today is a 6 — Heed your partner's advice. He or she can see things you might have missed. Postpone your travel plans for a while, too. Later in the week will be better. Make a business connection with a note instead.

**TAURUS** (April 20-May 20) — Today is a 5 — Everybody's asking how you're doing on the job that's underway. Have your answer ready. They're not interested in your good excuse, although you may have one. All they need to know is what you'll have, by when.

**GEMINI** (MAY 21-June 21) — Today is an 8 — You're looking good. Communicating is easy, and that's important. A competitive person tries to push you around, but you're up to the challenge. Have the facts, and you'll win the battle. You can trip the other guy with a detail.

**CANCER** (June 22-July 22) — Today is a 6 — Something that you thought would work well could backfire. Be careful, especially around anything with moving parts. You'll do better with a domestic project later. That idea should work out perfectly.

**LEO** (July 23-Aug. 22) — Today is a 7 — Try to avoid arguing about money with your sweetheart. Although things need to be said, they don't all need to be said right now. Tempers are too short, and the verbal wounds could last too long. Bite your tongue.

**VIRGO** (Aug. 23-Sept. 22) — Today is a 4 — You're in a snippy mood, so take care. Some-

thing you say could upset the other person more than you thought it would. This is not all your fault, or theirs. The pressure you feel should fade by Thursday, so watch your temper for a while.

**LIBRA** (Sept. 23-Oct 22) — Today is a 5 — A detail you've overlooked could sneak up and bite you. Remember what it was and get it handled. Go through that pile of papers on your desk one more time — and soon. Check the facts. Something may have changed.

**SCORPIO** (Oct. 23-Nov. 21) — Today is a 5 — A lot of money's changing hands, and some may be yours. If you're sure of what you're doing, play in the high-stakes game. If you're not, wait until Friday before getting involved. Things should settle down by then.

**SAGITTARIUS** (Nov. 22-Dec. 21) — Today is a 5 — If you're getting chewed out for something that's not your fault, hang in there. Get things going again now and let others figure out whose fault it is, later. If you keep from blowing up, you'll gain everybody's respect.

**CAPRICORN** (Dec. 22-Jan. 19) — Today is a 6 — Postpone travel until Friday. Follow an older person's advice instead, to get more work and money. What you thought was going to be difficult is easy, but what you thought would be easy could be way too difficult.

**AQUARIUS** (Jan. 20-Feb. 18) — Today is a 6 — You may have to change your plans to accommodate an older person. Meanwhile, make sure nobody else spends your money. You might not like what they'd do with it. No risky investments, either. You could win at a romantic game later tonight, however.

**PISCES** (Feb. 19-March 20) — Today is a 6 — Take care and advise your mate or partner to do likewise. Being reckless is never a good idea, but the consequences of foolish behavior now could be higher than usual. Don't get in the middle of somebody else's battle. Let them work it out.
