

# Beavers, Dawgs fight for seconds

Washington will have its hands full on Saturday when it faces run-happy Oregon State in Seattle

The Northwest's king of the hill was decided Saturday to the screaming pleasure of more than 46,000 fans at Autzen Stadium.

"This weekend in Seattle, the race is on for first runner-up.

The No. 23 Oregon State Beavers, making their first appearance in the Associated Press poll since 1968, face No. 15 Washington on the road this weekend in what could be a Beaver upset or a Husky blowout.

Oregon State stunned the Pacific-10 Conference Saturday by beating

USC, 31-21, in Corvallis. Sixth-ranked Washington lost for the first time this season in the Ducks' pond.

"They're a dominant team and one of the better teams in our conference and one of the better teams in the country," Oregon State head coach Dennis Erickson said. "Winning on the road is hard for everybody. It would be a great step for this program to go into Seattle and have the opportunity to beat them."

Beating the Huskies would be a monumental feat, but the Beavers could do just that. Washington's defense had a hard time containing

Oregon tailback Maurice Morris, who rushed 152 yards on 31 carries.

Oregon State tailback Ken Simonon racked up 234 yards against the Trojans last Saturday.

"It's also a tall order for our defense in that Ken Simonon is right now probably the best running back in the conference," Washington head coach Rick Neuheisel said. "There are certainly a lot of good ones out there, but right now all his numbers would lead you to believe that there is not a better one around."

"This game is important because it's Washington and it's on the road and it's in the league," Erickson said. "We just had a big win; that, to me, is what it's all about."

## Horoscope by Linda C. Black

**TODAY'S BIRTHDAY** (Oct. 6). You're in love — or soon will be! You're lucky, too, so what will you make happen? Relax in the warm glow this October. Open your heart but keep your pocketbook closed in November. Suddenly you understand in February. Follow an old foreigner's advice to gain abundance in June. Your Mom probably knows best in July, and your conscience is your guide in September.

To get the advantage, check the day's rating: 10 is the easiest day, 0 the most challenging.

**ARIES** (March 21-April 19) — Today is a 5 — Instead of taking the lead, follow. Let your friends and a partner or mate teach you something. Ask questions but don't offer much of an opinion, yet. Give yourself time to understand what they're talking about.

**TAURUS** (April 20-May 20) — Today is a 7 — Choose your words carefully, and you might profit. Something needs to be said, but something else shouldn't be mentioned. You might get good at walking that fine line, with a little practice. And, now is as good a time as any.

**GEMINI** (May 21-June 21) — Today is an 8 — Travel will go better now than over the weekend. If you've planned a project, stock up on supplies. If you need to visit somebody, do that now, too. You may not have time later. Something unexpected could interfere.

**CANCER** (June 22-July 22) — Today is a 7 — A crowd might gather at your house. You and a loved one do like privacy, however. You may have to ask one guest to leave, or you won't get to sleep before morning. Let them know when it's time to go home.

**LEO** (July 23-Aug. 22) — Today is a 6 — You're a leader, not a follower, most of the time. A person with a different expertise can teach you something, though. You'll help the most today if you show you're a good team player. For once, let somebody else be the captain.

**VRGO** (Aug. 23-Sept. 22) — Today is a 6 — There's plenty of work and money. If it's not added toward your pocket yet, you're not in

the right location. You're loyal, but business is business. Make sure you're getting paid what you're worth.

**LIBRA** (Sept. 23-Oct 22) — Today is a 7 — You've got a clear shot at your goals. Give somebody else a boost. A loved one's dream can inspire you to try something bold. It doesn't have to cost you much. A little thoughtfulness can light up another person's eyes.

**SCORPIO** (Oct. 23-Nov. 21) — Today is a 6 — This is a good day to tidy up your closets and make your home look better. You may find something you forgot about, and it will come in handy. You'll finally know why you've hung onto it for all these years!

**SAGITTARIUS** (Nov. 22-Dec. 21) — Today is a 7 — You're known to be honest and fair. Today, you could earn a new reputation. Your research could provide the answer everybody's sought. You could be seen as a great intellectual. And, it's all true, of course.

**CAPRICORN** (Dec. 22-Jan. 19) — Today is a 7 — It'll be slightly easier to go along with an older person's silly whims. Knowing that it's Friday helps. You might even get a bonus for work done over and above the call of duty. And, if so, it's a sure bet you've earned it!

**AQUARIUS** (Jan. 20-Feb. 18) — Today is an 8 — You should feel confident and look great. You're attracting admirers from farther away than you realize. Romance is possible, and another dream could also come true. Dare to ask for what you want.

**PISCES** (Feb. 19-March 20) — Today is a 7 — Something you're after is slightly out of reach. Don't worry. You still have a lot of preparation to do. Start by making lists and setting priorities. Work out the big problems on paper, and you'll be closer to getting there.
