

Golfers looking for improvement

■ Hoping to beat the field and the rain, the women's golf team travels to California for its fourth tournament of the season

By Peter Hockaday
Oregon Daily Emerald

This weekend, the Oregon women's golf team could finally beat its biggest enemy: the weather.

The Ducks travel to Palo Alto, Calif., this weekend to compete in the Stanford-Pepsi Intercollegiate tournament at the Stanford Golf Course.

Oregon head coach Shannon Rouillard continues to juggle her team's lineup. Rouillard will play a different group than she has in the Ducks' first three tournaments this season in hopes of garnering better re-

sults.

Rain has hampered Oregon in each of those three tournaments. At the NCAA Fall Preview it was Hurricane Gordon, then at the Mary Fossum Invitational in Michigan it was a storm that shortened the tournament to two rounds, and at the Edean Ihlanfeldt Invitational in Washington it was small showers that caused two delays in play.

The Ducks have finished poorly in those rain-affected tournaments, taking 19th at the NCAA Preview, ninth at the Mary Fossum and eighth at the Edean Ihlanfeldt.

But Rouillard might have a few tricks up her sleeve for the Stanford-Pepsi this weekend.

One of them is Megan Heckerth, a sophomore who took a year off last year for personal reasons and will compete for the first time this season in Palo Alto.

“Megan has a lot to bring to this team. She's very talented and she works very hard.”

Shannon Rouillard
Oregon head coach

Rouillard sees her as a secret weapon.

“Megan has a lot to bring to this team,” Rouillard said. “She's very talented and she works very hard.”

Senior Claire Hunter, who led

the Ducks at the Edean Ihlanfeldt, will compete in her second straight tournament. Freshman standout Katharina Schallenberg, senior Jerilyn White and junior Kathy Cho round out the team.

The Ducks will face a tough field at the Stanford-Pepsi. Ten top-25 teams are competing in the 18-team field, including No. 1 Arizona, No. 3 Southern California, No. 5 Stanford and No. 10 Pepperdine.

Oregon will also get a sneak peek at several Pacific-10 Conference teams, as Arizona State, California, Oregon State, Washington and Washington State will all compete.

The Ducks begin competition in Palo Alto today with an 18-hole round. They will also play 18-hole rounds on Saturday and Sunday.

Soccer

continued from page 5A

want.

“Obviously we want to win as many as we can,” Steffen said about the rest of the Ducks' Pac-10 schedule.

“We just want to prove to the Pac-10 that we can win these games,” sophomore forward Julie McLellan said.

Steffen hopes his team will just play good soccer against its in-state rival.

“Our hopes are to play with a little more consistency,” Steffen said. “We created great chances against ASU; we created great chances against Arizona; we created good chances against USC. We've got to put them away.”

Steffen hopes forwards Beth Bowler and Crystal David will return to the Ducks' lineup today and help the team finish those chances.

Horoscope by Linda C. Black

TODAY'S BIRTHDAY (Oct. 20). You could step into a leadership role this year. Choose the team you want to play with in October. Disagreements surface in November. Your creativity blossoms in December. A revolutionary scheme could work in February. Don't let a teammate overstep in May. You have the final word in June. Ask for the money in July and take charge of the group by August. Motivate others with the facts in September.

To get the advantage, check the day's rating: 10 is the easiest day, 0 the most challenging.

ARIES (March 21-April 19) — Today is a 9 — The sunshine peeks through the clouds, at least in your heart, and everything seems possible again. And, not a moment too soon. Get the gang together for some fun and games. You're in line for some pleasant surprises.

TAURUS (April 20-May 20) — Today is a 7 — Watch for a bargain. It's on real estate or something you've wanted for your home. Somebody else's bad luck can be wonderful for you. Don't feel guilty. They'll think those bucks from you couldn't come at a better time.

GEMINI (May 21-June 21) — Today is a 7 — You need a referee. You and your noble adversary have a great time kidding each other, but today's discussion could get heated. You need an objective third person, who'll keep you on track, so the problem may get solved.

CANCER (June 22-July 22) — Today is a 6 — Plenty of money's coming in. You might even find some extra or earn a bonus. It's not enough to make your dreams come true, however. That's OK. You're good at making money grow. That's a Cancerian trademark.

LEO (July 23-Aug. 22) — Today is a 6 — Go over your plans one more time. If you don't have any, get professional assistance. You'll be amazed at how much you can get done once you know what you're doing. Don't strain your brain, though. Hire help.

VIRGO (Aug. 23-Sept. 22) — Today is a 6 — Somebody who doesn't know what he or she is doing could blame it all on you, or try to, anyway. Sidestep that and let the truth come out. It may be awkward for a moment, but it's better for your career.

LIBRA (Sept. 23-Oct. 22) — Today is a 7 — Don't go out drinking with a couple of deadbeats. You could end up holding the tab. Also, don't get in the middle of a domestic dispute. You're a natural mediator, but giving good advice is a waste if nobody's listening.

SCORPIO (Oct. 23-Nov. 21) — Today is a 7 — Your boss and other authority figures should feel generous. This could be wonderful for you. With a little smile and some extra attention, you could profit nicely. If you're a waiter or waitress, for example, the tips could be outrageous.

SAGITTARIUS (Nov. 22-Dec. 21) — Today is a 7 — The person you want to play with could be miles away. Travel's not advised, so if you go, be careful. Luck and ingenuity are with you. Now, if you can just get that pesky work done quickly, you'll be on your way!

CAPRICORN (Dec. 22-Jan. 19) — Today is a 6 — You may have to make an annoying financial decision. It's annoying because you don't want either or. You want both, the entire enchilada. Well, look again. If there's a way, you'll find it.

AQUARIUS (Jan. 20-Feb. 18) — Today is a 7 — Taking on a partner seems like good sense until you have your first difference of opinion. You could lose this fight, so take care. Things might work out better if you did. Give up your picture of what winning looks like.

PISCES (Feb. 19-March 20) — Today is a 6 — Seems like too many deadlines need to be met. Work takes on a special urgency when everything has top priority. Sorting out what must be done now from what can wait until Monday may be hard. But, it sure will help if you do.
