

Oakland Raiders survive winless San Diego

By Bernie Wilson
The Associated Press

SAN DIEGO — Oakland rookie Sebastian Janikowski didn't miss when it counted. Oh, how the San Diego Chargers wished he would have.

Janikowski kicked a 24-yard field goal with 13 seconds left to give the Raiders a wild 15-13 win over their winless AFC West rivals on Sunday night. It was his fifth field goal of the night, tying the franchise record set by Jeff Jaeger in 1994.

Janikowski was wide left on a 42-yarder in the third quarter that would have given the Raiders a little breathing room.

And he kicked it right through. Janikowski finished 5-for-6 and the Raiders won their fifth straight game to improve to 7-1. The Chargers, the NFL's only winless team, fell to 0-8 and are three losses shy of matching their worst start ever, 0-11 in 1975.

Janikowski had given the Raiders a 12-0 halftime lead on field goals of 40, 40, 54 and 29 yards. Two weeks

ago, he kicked a 43-yard field goal with 25 seconds left to beat the Kansas City Chiefs 20-17.

The Chargers could only wish they had a first-round draft pick who was making an impact. Their most recent first-rounder, quarterback Ryan Leaf, has returned to his ineffective, pouting ways that marred his rookie season of 1998. Bobby Beathard, who retired as general manager last spring, often traded away future first-round picks to gamble on second-round picks, and many of those players were busts.

"I guess they feel real good about their first draft pick," said Chargers tight end Freddie Jones, whose touchdown catch with 5:58 to go had given the Chargers a 13-12 lead. "Hats off to Janikowski."

The Chargers appeared to have the game in hand when Jim Harbaugh threw his second touchdown pass of the night to Jones.

That drive was set up when Chargers star linebacker Junior Seau inter-

cepted Rich Gannon's shovel pass midway through the fourth quarter. As the pocket was collapsing on Gannon, he tossed the ball to Tyrone Wheatley, but it glanced off the running back's hands right to Seau.

After Jones scored, Seau pumped both fists in the air on the sideline. But it wasn't long before he and the rest of the Chargers were disappointed again.

"I thought the game would be tough because of their defense. So I came out ready to kick some more."

Gannon moved the Raiders downfield with precision, gaining 68 yards on 13 plays. The big play was a 9-yard pass to Andre Rison on third down to get the Raiders into field-goal range. The Raiders ran down the clock and sent in Janikowski for the winning kick.

Seau said the Chargers should have stopped the Raiders on the third-down pass to Rison. After Chargers rookie Ronney Jenkins had a 47-yard kickoff return to the 50 with

five seconds left, Harbaugh's desperation pass was picked off.

"We weren't perfect tonight but it's hard to beat a divisional opponent twice," said Gruden, whose team beat the Chargers 9-6 on opening day. "We like the resiliency of this football team."

On a night when the Chargers wore their 1960s-style throwback uniforms, they spent the first half throwing chances to the Raiders.

Janikowski kicked field goals to cap the Raiders' first four drives, and each one was extended by Chargers penalties. At halftime, the

Chargers had committed nine penalties for 69 yards, and had gained just 70 yards total.

San Diego finally came to life when it took the second-half kickoff and moved 76 yards for its first score, an 8-yard pass from Harbaugh to Jones.

The Chargers had two more first downs on that drive — seven — than they did for the entire first half. San Diego didn't get into Oakland territory for the first time until just nine seconds remained in the first half, and then it was out of timeouts and the clock ran out.

TODAY'S BIRTHDAY (Oct. 30). You could strike it rich this year, but can you keep your winnings? This isn't a gamble; it's a shrewd move. Do the calculations in October. Get an expert to check them in November. The treasure's flowing your way in December; be wise enough to hold it. Divert some to a faraway, safe place before January. Sell household items, or real estate in February. An old penny pincher's your best adviser in May. Read the fine print carefully in June. You can achieve your goal by July. Let your hair down with friends in September.

To get the advantage, check the day's rating: 10 is the easiest day, 0 the most challenging.

ARIES (March 21-April 19) — Today is a 7 — You're still in a holiday mood, whether you're back at work or not. You may feel like taking risks, but watch out. You're liable to be reminded of the rules in a way you don't like. Exercise good judgment! It's a handy skill. Taurus (April 20-May 20) — Today is a 7 — If you've done planning over the weekend, you should be first in line for the bargains. This is work, but you're great at it. If you're spending somebody else's money, you'll be making bonus points.

GEMINI (May 21-June 21) — Today is an 8 — This would be a fine day to travel with a fascinating companion. Opposites attract, and you never get bored with each other. Obligations could interfere, but don't let them stop you. Get as far as you can in the time you have.

CANCER (June 22-July 22) — Today is a 7 — Your work, although not easy, should be interesting. You might get to show off your talents. If you're not doing the job you love yet, you might get a glimpse of it. Knowing where you're going is always helpful, even if you won't get there for a while.

LEO (July 23-Aug. 22) — Today is a 7 — Concentrating may be hard. Your mind is on fun and games. Is romance in your future? But, wait! There's more work to do first. Don't forget your job, or you'll have more worries than

you wanted.

VIRGO (Aug. 23-Sept. 22) — Today is a 6 — This could be a slow Monday. You may wish you were back in bed. If you have to go to work, don't complain. You might solve a puzzle that's been driving you crazy.

LIBRA (Sept. 23-Oct. 22) — Today is an 8 — You're as cute as a button — and charming, too. You may know somebody else who fits that description. An intellectual type is fascinating, but a gambler's got your heart. Making a decision is always the most difficult part.

SCORPIO (Oct. 23-Nov. 21) — Today is a 7 — How about getting that thing you've wanted for the house? You might want to dress up your house as a thing, actually. Your night to howl is coming soon. Get ready! There's not a moment to lose!

SAGITTARIUS (Nov. 22-Dec. 21) — Today is a 7 — You could have an interesting conversation today with a person who can teach you a lot. The trouble is some information should stay confidential. To make sure that happens could take work on your part. Plug up those keyholes!

CAPRICORN (Dec. 22-Jan. 19) — Today is a 7 — You've got good common sense, and today it could serve you well. A change in your regular routine could cost you money. Better pencil it out before you offer to do it for free. Tell them you'll get back to them on that.

AQUARIUS (Jan. 20-Feb. 18) — Today is a 6 — Something's cramping your style. Somebody's put a damper on your enthusiasm — or is trying. Don't worry. You and friends can get together later. You can even dress up in disguises, so nobody will know who you are.

PISCES (Feb. 19-March 20) — Today is a 7 — You don't like to be sneaky, but you may not want to run into somebody — socially, that is. Well, you're pretty good at becoming invisible. Make sure you meet a deadline so you don't draw attention to yourself.
