

Invent the ways to change the world.

Make sure that who you're working for works just as hard for you. Let everyday be as significant as it wants to be. Move quickly, but stay flexible. Once you're comfortable, ask why.

Before you change the world, make your world conducive to changing it.

Field Auditor Position

- COMPANY** ABC is the world's oldest and largest circulation auditing firm; established in 1914 by advertisers, advertising agencies and publishers to provide standardized audited circulation statistics to buyers and sellers of advertising space in print media.
- POSITION** Our field auditors independently conduct verification of our publisher members' circulation claims.
- TRAINING** We provide a comprehensive 14 week training program which combines classroom instruction with infield training.
- BENEFITS** Competitive salary (base + overtime has potential to be in the mid 30's). Other benefits include medical, dental, vision care, life insurance, pension plan, 401K and tuition reimbursement.
- LOCATION** This position requires 100% travel throughout the United States. No relocation is necessary. Auditors work from their "home base" (the state in which they live) to travel to each of the audit locations.
- REQUIREMENTS** Business degree with a minimum of 6 to 9 hours of accounting
Strong analytical, problem solving and decision making skills
Spreadsheet skills required
Ability and willingness to work independently
Ability to travel 100%
- CONTACT** Audit Bureau of Circulations, Human Resources
900 North Meacham Rd., Schaumburg, IL 60173-4968
Fax: 847-605-9771

Audit Bureau of Circulations

We are accepting resumes for current and future positions.

I am...

CREATING my future,

DISCOVERING my potential,

If you're looking for a career that celebrates and rewards creativity, initiative, and fresh thinking, you've found it. We're Jo-Ann Stores, Inc., one of the best known retail destinations for anyone seeking to fulfill their creative passions in decorating, crafting and sewing.

REALIZING my dreams.

Our success grows from our corporate mission to inspire the creativity of America – and that means inspiring and rewarding the creative thinking of our team members. We've seen, adapted, and now helped shape the changing trends in personal creativity. In the process we've achieved record results of over \$1 billion in sales with over 1,000 stores in 49 states. Our long-term strategies position us for continued growth in sales and profits in the coming years.

If you're a creative thinker, it's time to create your own future with us.
