

RMT: Way beyond the basics.

Hannaford's Retail Management Trainee Program

For a great career impact

If you are looking for a career that offers you the chance to have an impact quickly-- and a training program that can have an impact on your whole career -- Hannaford has what you are looking for. Our goal is to find the very best people to develop the leadership team needed to keep Hannaford at the top of the retail business.

Program overview:

Hannaford is known for innovation in all areas -- from information technology, merchandising, and distribution to human resources. You will have a chance to learn about a very successful company's programs, practices and methods. All of which can be applied to any career or business. A fast-growing company, we offer opportunities in all of these areas.

Hannaford's Retail Management Training Program is among the best programs in our industry. It represents a significant investment on your part. But whatever path your career takes, Hannaford will give you a foundation you can build on for years to come -- the leadership skills and business knowledge it takes to be successful in any business role.

Let's Talk About Your Future.

If you think this may be the right program for you, we should talk.
