

Golfers swingin' in Hawaii

■ Oregon women's golf plays two rounds well on the first day of the Rainbow Wahine Fall Classic

By Peter Hockaday
Oregon Daily Emerald

After a day at the Rainbow Wahine Fall Golf Classic, the Oregon women's golf team is figuring out that experience pays off.

After two rounds at the Hawaii-hosted tournament, the Ducks are in seventh place and six strokes out of sixth.

Oregon shares seventh place with Idaho and San Jose State, but the Ducks are three strokes ahead of 10th-place Long Beach State.

Oregon hasn't finished higher than eighth at a tournament yet this season.

The Ducks were tied with San Francisco for fourth place after the first 18-hole round, in which they shot a 309, their second-lowest

single round of the year. But then Oregon shot a 319 through the second round to drop to seventh.

Individually, senior Jerilyn White paced the Ducks through two rounds with a 155, good enough for 20th. Junior Cathy Cho, who attended Hawaii for two years before coming to Oregon, shot a 157 and placed 29th.

Seniors Julia Smith, Dawn Berry and Claire Hunter also placed for the Ducks. Smith placed 37th, Berry was 50th and Hunter finished 54th.

White had the second-best score of the morning's round, a two-over-par 74. It was the Salem native's best first-round score of the season.

Oregon head coach Shannon Rouillard took the most experienced lineup possible to Hawaii this week, stocking the team with four seniors and a junior.

Cho and White have played in every tournament this season. Hunter has played in all but one

tournament, and Berry and Smith have three tournaments' worth of experience together.

Noticeably missing from the Ducks' lineup this week is freshman Katharina Schallenberg. The newcomer has played in every tournament so far this season and has the lowest stroke average to date.

The Ducks will finish play at the Rainbow Wahine Fall Classic today with one 18-hole round. It will be the golfers' last round of the fall, and they will resume play again in February.

Injured Blazers drop opener to Los Angeles

PORTLAND—Shaquille O'Neal was his old overpowering self, and Isaiah Rider showed he might be a new man.

O'Neal had 36 points and 11 rebounds, and Rider showed up his old teammates in the fourth quarter as the Lakers began defense of their title by holding off the Portland Trail Blazers 96-86 Tuesday night.

Rasheed Wallace scored 26 points to lead the Blazers, and Steve Smith had 22.

Portland's Scottie Pippen sprained his left ankle in the first quarter and didn't return.

In the most eagerly anticipated of the 13 opening-night NBA games, the teams failed to live up to the drama of their last meeting, when the Blazers blew a 15-point fourth-quarter lead in Game 7 of the Western Conference finals last June and lost 89-84.

Smith's layup got the Blazers within 72-71 with 9:17 remaining, but the Lakers ran off six straight points. Rider, signed by the Lakers for the minimum of \$700,000 after being waived by Atlanta last season, elevated on a 13-foot jumper to give Los Angeles a 78-71 lead.

Rider nailed a 3-pointer to make it 85-77 with 3:32 left, and his trash-talking to ex-teammate Bonzi Wells got him a technical. Rider, booed by the sellout crowd before the game, smiled broadly at fans after he stole the ball from Greg Anthony and got an easy dunk.

The Blazers, who bulked up by adding Shawn Kemp and Dale Davis specifically with the idea of stopping O'Neal, got little production at either end of the floor from their big men. Kemp had four points on 2-of-9 shooting and committed two fouls in just 12 minutes; Davis had two points on 1-of-4 shooting and had five fouls to go with six rebounds.

TODAY'S BIRTHDAY (Nov. 1). Update old skills and acquire some new ones. The more you learn, the more confident you'll become. Worries lead to action in November. You have enough money to make a big change in December. Experience is your best teacher in January. Dreams may seem to fall apart in February. In late May and June, the outcome's not as expected; it's better. Destiny calls you in July, and new skills lead to great new friends around September.

To get the advantage, check the day's rating: 10 is the easiest day, 0 the most challenging.

ARIES (March 21-April 19) — Today is a 5 — Hold your cards close to your chest. Somebody would love to know your strategy, but that's not a great idea. Truth is you might not even have one. Maybe you should. Give it some thought.

TAURUS (April 20-May 20) — Today is a 7 — Once you and your partner reach an agreement, the job's more than halfway done. The other person's finding something hard to say. Ask questions, or you might not discover what it is.

GEMINI (May 21-June 21) — Today is a 4 — The less said at work, the better. Even messages will get garbled. Check all correspondence for typos before sending them out. If you hear or read something that doesn't seem right, call the source.

CANCER (June 22-July 22) — Today is a 7 — You and a loved one have big plans, but more money's required. If your first attempt to find it doesn't work, try again. The idea that eventually pays off is one you've used before. Use your experience and be assertive.

LEO (July 23-Aug. 22) — Today is a 6 — You do the work, but are you getting the money? Do the people who sign the checks know how tough this job is? They'll only know if you tell them, but don't complain. Think of another way to let them know, and more riches could be yours.

VIRGO (Aug. 23-Sept. 22) — Today is a 7 — If you're having a hard time getting your mean-

ing across, relax. The other person might be having a hard time listening! A loved one with lots of experience can be a big help now. He or she can take a more direct route than you.

LIBRA (Sept. 23-Oct. 23) — Today is a 5 — Something you're worrying about may come to pass. No need fighting it; be assertive instead. Buy what you need to solve a problem at home. You already know what it is, so make the decision and take action. You'll feel better later.

SCORPIO (Oct. 23-Nov. 21) — Today is a 7 — You're a lot stronger than you think you are. You'll get help from a friend just when you need it most, too. Be sure to let the person, who's waiting for the thumbs-up from you, know when to move.

SAGITTARIUS (Nov. 22-Dec. 21) — Today is a 6 — You might make a good deal if you can keep your mouth shut. Saying the wrong thing's the best way to get into trouble with an edgy perfectionist. Concentrate on doing the job that's in front of you, the way it's always been done.

CAPRICORN (Dec. 22-Jan. 19) — Today is an 8 — You've got influential friends in the right places. One might even owe you a favor. Don't ask for money. That's about the only thing they won't provide. One might set you up with a good blind date, though, if you're interested.

AQUARIUS (Jan. 20-Feb. 18) — Today is a 6 — Don't believe everything you hear, even from an influential older person. Keep your expectations low so you won't be disappointed if what you're being offered turns out to be more illusion than reality. Do the homework to get the real thing.

PISCES (Feb. 19-March 20) — Today is a 7 — Somebody's trying to tell you something. Figuring it out is today's assignment. Something's in the way, like emotions or anger. Ignore that if you can, and what you finally learn could be valuable. The exercise is good for you, too.
