

Basketball

continued from page 7A

right now and putting some of the little things together that are making some of the bigger things happen," senior forward Angelina Wolvert said. "I definitely think we're ready to play someone else because I'm tired of Jenny Mowe beating up on me and I know she doesn't want me to beat up on her anymore."

Unlike last season when Oregon entered its first exhibition game full-strength en route to a 74-59 win over Lokomotiva Kosice, the Ducks have faced a few preseason setbacks.

During the summer, backup point guard Karen Piers quit the team. In mid-September, Williams tore her anterior cruciate ligament in a pickup game with teammates at McArthur Court. Then starting senior guard/forward Lindsey

Dion sustained a knee injury while running drills. Sophomore Courtney Moore, a promising forward, quit the team to be at home with her mother, who has cancer.

Despite the injuries, the Ducks don't stop at thinking they can remain competitive in the Pac-10.

They still believe they can win it.

"I'm still a little upset that Stanford got chosen over us," Wolvert said. "I don't think we've been picked first in the Pac-10 since I've been here and that really irritates me because we've won it two years in row."

"I think our guards have been doing a great job of stepping up and making plays," Mowe said. "It will probably be a season-long process of getting them to be confident with us."

Today's exhibition game will also be the first time for fans to see freshmen Katy Polansky, guard,

and Cathrine Kraayeveld, forward, in action.

While head coach Jody Runge was in California for the conference media day, her Ducks met at McArthur Court Thursday afternoon under the guidance of assistant coach Fred Litzenberger for one last practice before the game. Some good news for Oregon was that Dion practiced for the first time since her recent injury.

This season is the last dance for five seniors: forward Brianne Meharry, guard Camber Ellingson, Wolvert, Mowe and Dion.

"It's different having five seniors. We've been talking about it — it's definitely a goal we share to have a great year," Mowe said. "It's just different this year. It's your team, and everybody's looking up to you as a senior. This is the last time, the last year we'll be playing here. Everything's the last thing — the last day before the first game, stuff like that."

Guard Jamie Craighead (10) eases the loss of Shaquala Williams (3) by moving to backup point guard in the first exhibition game of the season. Emerald

Horoscope by Linda C. Black

TODAY'S BIRTHDAY (Nov. 3). You focus on home and family this year. A situation that looks impossible in November is your excuse to make changes in December. Something you do turns out better than expected by February. Get a partner to help you find the money you need in May and June. It'll be a route you've taken before. A new path opens up around July, and that should be lots of fun. Get a good team to help you build something that will last in September and October.

To get the advantage, check the day's rating: 10 is the easiest day, 0 the most challenging.

ARIES (March 21-April 19) — Today is a 6 — All of a sudden, everything looks easy. Something that was almost unbearable yesterday looks funny now. A difficult phase is over, but you're not in the clear yet. Don't say anything snotty to a person who could hurt your chance to advance.

TAURUS (April 20-May 20) — Today is a 7 — Does somebody owe you money? This is a good day to ask for it. Don't be embarrassed. Think of it like you're cleaning up loose odds and ends. Actually, the person who owes you may have forgotten about it and may be glad you sent a reminder.

GEMINI (May 21-June 21) — Today is a 7 — You get luckier in love, soon. The real benefits show up this weekend, so make a date. Tonight could be difficult, but tomorrow is excellent. Sunday getting together will be hard — unless you already are together, of course.

CANCER (June 22-July 22) — Today is a 7 — Others may compliment your talents, but don't let it go to your head. You make it look like it's easy while just the opposite is true. Better practice so you can perform up to your expectations.

LEO (July 23-Aug. 22) — Today is a 7 — If you want something back that was borrowed, ask for it early. Later, you won't care. You'll be off into other adventures. If you handle all your business early, maybe you can get away from work early, too. That's a prize worth going after!

VIRGO (Aug. 23-Sept. 22) — Today is a 7 — Hope you enjoyed yesterday 'cause the pace is picking up. The workload's increasing, and you're liable to find something that was overlooked. Now, it's practically overdue. Kick it into overdrive, and you'll finish on time.

LIBRA (Sept. 23-Oct. 22) — Today is a 7 — Mars is coming into your sign, and that's good. It gives you spunk, energy and determination. You're a pacifist, and Mars is the sign of the warrior. That could make you uncomfortable until you get used to it. Then, you might like it!

SCORPIO (Oct. 23-Nov. 21) — Today is a 6 — You like to get your way, but you're willing to compromise. Today you might worry that you won't get your way at all. A stubborn person at home thinks he or she can get away with anything. You may have to pull rank to re-establish your authority.

SAGITTARIUS (Nov. 22-Dec. 21) — Today is a 7 — Things that you have long wanted to be, do or have are practically within your grasp. You just need a bit more polish, a little higher skill level, a little more practice. Luckily, this is the perfect day for exactly that.

CAPRICORN (Dec. 22-Jan. 19) — Today is an 8 — You could figure out a way to make more money. This might happen during the day, but if not, be prepared. Have a pencil and paper near the bed tonight, just in case inspiration strikes after you're asleep.

AQUARIUS (Jan. 20-Feb. 18) — Today is a 4 — You're much stronger today, but can you exercise self-restraint? Keep a civil tongue, especially if the person who's yapping at you doesn't know what he or she's talking about. If you can't be quiet, at least be diplomatic.

PISCES (Feb. 19-March 20) — Today is a 7 — Today is more difficult than yesterday was. A couple of people are having an ego battle. While they're fighting it out, you could sneak around them and get the job done. Don't worry that they'll be mad. You'll charm them with your good looks.
