■ After a decisive victory against Washington, the Ducks find Friday's 3-0 loss to Washington State 'frustrating'

In Oregon's final home volleyball match of the year, patience ruled the floor.

Washington State had it. Oregon did not.

The Cougars' tireless pursuit throughout the match proved to be too much for the Ducks (10-15 overall, 2-14 Pacific-10 Conference), who were swept by their conference opponent for the second time this season.

Oregon's .101 attack percentage helped Washington State (17-8, 8-8) defeat the Ducks for the 10th consecutive year.

"It's frustrating because they are a very methodical team," said senior Amy Banducci, who played in her final match at McArthur Court. "We put everything into it, but for some reason it just doesn't roll our way."

Heading into Friday's contest, the Ducks were riding high after a 3-1 win against Washington, which was head coach Carl Ferreira's first

conference win at home.

But the Cougars, unlike the Huskies, showed 832 fans in Eugene why they may be headed for the NCAA Tournament.

"We need teams to make errors," Ferreira said. "[Thursday] night we forced Washington to make errors — they made 40 errors in four games. Wazzu is never going to do that."

Although Washington State swept the Ducks, Oregon had several opportunities to keep the match close.

Despite a 6-0 hole in the first game, Oregon battled back to bring it to 8-10. Three straight points by the Cougars, however, ended the Ducks' rally, as Washington State's LaToya Harris recorded her second ace to end the game at 15-10.

"It was really difficult because before we knew it we were down," Banducci said.

Game two was all Oregon — at least at first.

A kill by freshman Lindsay Murphy gave the Ducks a 10-4 advantage, and perhaps the idea of another come-from-behind victory.

But it was not to be.

Washington State called a timeout and quickly knocked the Ducks out. Led by Harris' jump serve, a

strong blocking game and some costly errors by Oregon, the Cougars came back to win game two, 15-11.

"They made some errors [early in the game], but they don't beat themselves," Ferreira said. "They have execution patience. In game two, we lacked patience. We started to play conservatively, hoping that they were gonna lose. But they don't beat themselves."

"We have a problem matching their style, which is similar to Arizona State. They are both very low unforced errors teams."

Game three showed little resistance from the Ducks as Washington rolled over them, 15-4.

"Our style has to cause problems," Ferreira said. "But I don't think we executed our style well enough to cause them problems. We need better ball control for our setters; we're just shooting our system in the foot."

Oregon plays its final Pac-10 matches at Stanford and California this weekend.

"This is not our final match," Banducci said after the loss. "It's difficult because it is our last home match, but we've got to put this behind us. I want to go out with a win."

## Horoscope by Linda C. Black

**TODAY'S BIRTHDAY (Nov. 13).** The money you invest this year could make your future warm and snugly. Don't just toss your money away. Learn to do it right. The worries you have in November are your motivation. A loss in December can be forestalled, with planning. Learn from a real sweetheart in January. Real estate's a good investment in February. Work more to earn more in April. Rely on an expert's advice in May. More treasure can be found in a familiar place in June. Travel with a wise woman in July. A friend's thoughtless comment tweaks you into action in October.

To get the advantage, check the day's rating: 10 is the easiest day, 0 the most challenging.

**ARIES (March 21-April 19)** — Today is a 6 — You're smart, and you're learning quickly, too. Keeping a secret is difficult. Don't let on how much you know, for a while. You don't want to get an innocent bystander into trouble. Discretion, now, is the better part of valor.

**TAURUS (April 20-May 20)** — Today is a 7 — A partner's wishes are your command. Unfortunately, your money's involved. Are you paying for the date? You probably can afford it, so don't complain. Be the big spender and make a loved one feel special.

**GEMINI (May 21-June 21)** — Today is a 7 — You might be tapped for an overtime assignment. You're the best person for the job, but you don't think so. Is that because you're trying to leave town early, to visit a friend? Show you're the best choice by being super-efficient.

**CANCER (June 22-July 22)** — Today is a 6 — Your head's full of dreams of the perfect home, but your roommate's on a different wavelength. Convincing this person that you're right is worth the trouble. That's especially true if you're talking about renovation or a move.

**LEO (July 23-Aug. 22)** — Today is a 6 — A partnership could lead to a team effort, and the other way around. If you're looking for true love, join a group that shares your interests. Your house is a good place for a meeting, and tonight's a good night.

**VIRGO (Aug. 23-Sept. 22)** — Today is an 8 — Success can be yours if you push. You're sometimes shy about saying what you want; you don't let people know how smart you are, either. Well, cut it out. Be bold, and you could get the promotion or job you richly deserve.

**LIBRA (Sept. 23-Oct. 22)** — Today is a 6 — Have you been daydreaming about far horizons, but does a lack of funds have you stopped? Don't give up on the goal. Try something you've never done before. Other people have, so how hard can it be? Start by talking with somebody who knows.

**SCORPIO (Oct. 23-Nov. 21)** — Today is a 7 — Follow the money trail, and you'll find out who's got it stashed away and who's all talk. Don't tell them how much you've got; that's none of their business. The more you know about their business, though, the better off you'll be.

**SAGITTARIUS (Nov. 22-Dec. 21)** — Today is a 5 — You've got something stashed away that could be useful. It could be the clue you need to put the puzzle together. A friend can get you headed in the right direction. A partner can help you figure out what to do next.

**CAPRICORN (Dec. 22-Jan. 19)** — Today is a 7 — If you think there's a mistake, check with an older friend or your supervisor. Don't repeat the same error over and over again. Trust a hunch and find out if the instructions you've been given are right. Don't follow blindly; watch where you're going.

**AQUARIUS (Jan. 20-Feb. 18)** — Today is a 6 — An initial setback might slow you down, but don't give up. You often come up with your best ideas when you're under stress. Go over your notes again. You might have missed something.

**PISCES (Feb. 19-March 20)** — Today is a 7 — Separation from a person you care about may have you stressed. If you can't get there, maybe they could come to you. Entertaining a dear friend at your house would work out fine for you both.
