F07	New England School of Law	New England School of Law was founded in 1908 as Portia Law School, the first school in the nation dedicated exclusively to the legal education of women, is accredited by the American Bar Association (ABA) and a member school of the AALS. Located in Boston, NESL provides an extensive clinical program as well as concentrated programs in Corporate Law, Environmental Law, Family Law, International Law, and Tax Law. We offer three divisions of study: full-time day, part-time evening, and a special part-time division specifically for parents who have primary child-care responsibilities. Graduate school.	All majors.
F06	Northwest Institute of Acupuncture and Oriental Medicine	NIAOM is a nonprofit educational institution dedicated to providing the highest quality academic and clinical programs in acupuncture and Oriental medicine, as well as a low-cost healthcare to the local community. We offer accredited master's programs in acupuncture and traditional Chinese medicine.	All majors.
F04	Ohio Northern University	Ohio Northern is a small private law school situated in the picturesque village of Ada, Ohio. Presently in our 116th year, ONU continues to provide its students with small classes, close student/faculty interaction and a collegial learning environment.	All majors.
F35	Oklahoma City University Law School	Located in the heart of Oklahoma's capital city, and thus offers an enriched environment for legal studies. Students have access to almost every kind of local, state, and federal court; local, state, and regional federal government agencies; and private law firms, corporate headquarters, and legal service that providers for internships and part time employment when enrolled. Most OCU law students build significant legal resumes while earning their JD degree. If you love living in the Eugene community, you'll find the somewhat larger Oklahoma City area equally welcoming and recreation-oriented.	
F05	Oregon College of Oriental Medicine	Three-year academic and clinical program awarding accredited Masters degree in Acupuncture and Oriental Medicine (MAcOM). Study in China and Federal Financial Aide available. Graduate School.	Recruiting for graduate students.
F25	Oregon Health Sciences University - Department of Physiology/Pharmacology	The IBMS Graduate Program at OHSU emphasizes integrative approaches to biomedical research by training each student to use molecular, cellular and systems approaches to complex research questions. The integrative approach will be a key to success in tomorrow's research environment.	Chemistry, Physics, Bioengineering, Biology, and Computer Science.
F26	Oregon State University College of Business - MBA Program	The OSU MBA is an AACSB-accredited program that features advanced courses in contemporary business topics and an overall integrative technology focus. The program can be completed in less than 15 months, depending on the undergraduate major. Students can attend on a full-time or part-time basis, and evening classes are available. The program can be started in any term.	All majors.
