**Sports brief**

Well, it's down to Hawaii and San Diego for the Oregon Ducks' bowl destination.

The Insight.com Bowl in Phoenix, Ariz., is officially not an option for the Ducks after UCLA accepted its Sun Bowl bid Monday.

Oregon would have ended up in Phoenix had the Sun Bowl decided to trade away its rights to Oregon to the Insight.com Bowl (formerly known as the Copper Bowl.) The Sun Bowl would have received the No. 5 team from the Big 12 in exchange for the Ducks.

Now, the options for Oregon are the Holiday Bowl in San Diego, Calif., on Dec. 29 or the Oahu and Aloha Bowls in Honolulu, Hawaii, on Dec. 24 and 25. Oregon's fate hinges on whether Oregon State gets selected for a Bowl Championship Series bowl. The BCS makes its announcements Sunday after the final league championships are decided.

**Horoscope by Linda C. Black**

**TODAY'S BIRTHDAY** (Nov. 28). Shortages inspire your budget this year. They could inspire creativity and a group effort, as well. You're flexible in December. Drop a bad habit forever. You're not broke in January, but you're careful with your cash. Spend time instead of money on your favorite charity. In February take a class to make a dream come true. Take on a tough project in May for the money, not the fun of it. Make time in June for romance and go shopping for your household items in July. Accept congratulations from your friends in October.  
 To get the advantage, check the day's rating: 10 is the easiest day, 0 the most challenging.  
**ARIES** (March 21-April 19) — Today is a 5 — An older person demands your attention. Give it freely, along with respect. Although you and this person don't always agree, you have a lot to teach each other. Have that be your intention, and this encounter will be more interesting.  
**TAURUS** (April 20-May 20) — Today is a 7 — You're anxious to get away, but it might not be possible yet. Something important still needs to be done. Make travel plans and get your reservations. The sooner the better, for that.  
**GEMINI** (May 21-June 21) — Today is a 5 — Your primary concern is money now. This includes your debt and money you want to borrow. If you and your sweetheart want to do something special soon, you can find the funding now. Watch out for that interest rate, however.  
**CANCER** (June 22-July 22) — Today is a 6 — Let an expert take the lead. Although you're not making the final decision, you're offering valuable insights. Your input, plus the other person's expertise, helps you make the right decision. It's a partnership effort.  
**LEO** (July 23-Aug. 22) — Today is a 6 — Your work could take you into an area you don't know much about. You'll have to learn more, quickly. If you have the foresight to anticipate problems, find the manuals you'll need now. You won't have time to look for them later.

**VIRGO** (Aug. 23-Sept. 22) — Today is a 7 — You and a loved one want to celebrate, but there's a problem. The money you wanted to spend has been spent on something else. Don't fret. The gift you give doesn't need to cost a lot. Sometimes it's better if it doesn't. This is one of those times.  
**LIBRA** (Sept. 23-Oct. 22) — Today is a 6 — The best place for you to be tonight is home with the family. A close relative may need your advice. If you provide the safe place to talk, you won't have to provide all the answers. Somebody else will do that. Just be the moderator.  
**SCORPIO** (Oct. 23-Nov. 21) — Today is a 7 — You're smart, and you're learning fast. Something that you thought was one way could turn out to be another. Don't move too fast, especially with something you haven't done for long. You don't want to make an expensive mistake.  
**SAGITTARIUS** (Nov. 22-Dec. 21) — Today is a 6 — You want to get involved with a group, but you can't afford to spend much now. They need finances for a big push, and you don't have enough. You can contribute your good ideas, though. One of them could be worth more than money.  
**CAPRICORN** (Dec. 22-Jan. 19) — Today is an 8 — You're in control today, so be alert. You're taking on responsibilities, and that's good. Pay attention. Others will notice if you make an error. You're under pressure, but you're also lucky now. Full speed ahead!  
**AQUARIUS** (Jan. 20-Feb. 18) — Today is a 6 — Travel doesn't look good right now. Stay where you are. Wait on meetings or even phone calls with people from far away. If you can stall until tomorrow or the next day, your chances of success are better. No need to hurry. Be un-avoidable.  
**PISCES** (Feb. 19-March 20) — Today is a 7 — A group endeavor has your attention. That's where your heart is, too, but the money's hard to put together. You can go through a lot of it quickly. Don't spend the rent money, even for a good cause.
