MEET THE STAFF

Tom Webb Production Coordinator

Tom, or T-Webb, is responsible for the distribution of Steamtunnels to school papers across the country. He keeps track of when each issue should be shipped from the printer, and maintains a vast database of each school's academic calendar. As part of the design team, Tom creates many of the marketing materials used by the sales reps and also researches photos for the magazine. He spent several years living and working on Block Island (off the coast of Rhode Island) as a carpenter and editor, in a "Survivor"-type setting. When he washed ashore he found himself in our Boston office.
