

Harrington

continued from page 7

"It was a team effort, absolutely top-to-bottom. All year long we've fought back — man, it feels so good..."

One reporter asked Harrington if he was planning on staying at Oregon for another year. The quarterback didn't hesitate to respond.

"You'd better believe it!" he shouted. "I love this too much, absolutely! We have some of the greatest fans in the nation, we've got one of the greatest teams, we're a family! And it feels so good to be part of such a team atmosphere like we have here."

Oregon head coach Mike Bellotti agreed with Harrington that the win was a team endeavor. However, he said that Harrington's contributions were key to the Ducks' victory.

"Joey Harrington obviously had to get the taste of that last game out of his

mouth," Bellotti said. "I told him after the Oregon State game was over that the next chance was the next game, and we needed to do something. I thought he responded very well to the opportunity and the challenge."

Asked about Harrington's touchdown catch and run into the end zone, Bellotti commented jokingly about his quarterback.

Joey has sneaky speed; he's sneaky slow, but he's got great hands.

"Joey has sneaky speed; he's sneaky slow," Bellotti joked. "But he's got great hands."

Funny, because Bellotti is right about his quarterback's lack of speed. Following Oregon's win

against California Nov. 11, even Harrington joked about how a defensive lineman was able to catch up with him in the open field.

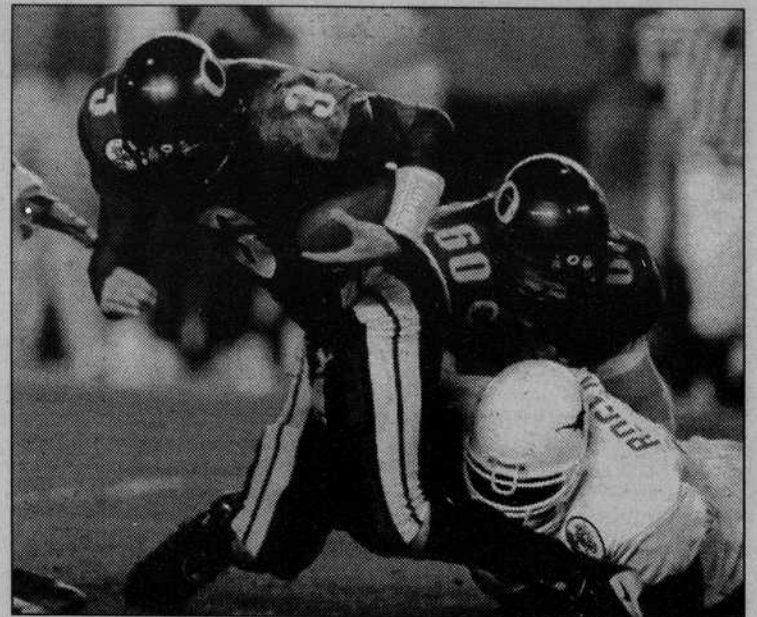

Harrington even poked fun at himself when asked about all the ways he scored against Texas.

"I was talking to coach about returning kicks," he said, "but then he told me I wasn't an athlete, and I had to agree with him."

But at the Holiday Bowl, before Bellotti's postgame press conference and moments after the Ducks beat a storied Texas program, Harrington stood on the field surrounded by reporters, basking in the glow of his second bowl victory.

One reporter mentioned that the only other quarterback to catch a touchdown pass in Holiday Bowl history was Steve Young.

"I guess I'm in good company, huh?" Harrington said.
Yes, he is.

Horoscope by Linda C. Black

TODAY'S BIRTHDAY (Jan. 9). You can't do it all by yourself. Find someone you can trust and share your precious plans in January. Keep track of each penny in February. Your team follows your lead to win in March. An older loved one helps broker the deal in May. Big promises are mostly hot air in June. Get an agent for tricky maneuvers in July. Discover a new perspective in September. Friends celebrate your success in November. Acknowledge your wise choices in December.

To get the advantage, check the day's rating: 10 is the easiest day, 0 the most challenging.

ARIES (March 21-April 19) — Today is a 5 — A conflict's going on, and you're in the middle. Stay quiet, and your chances of success improve. They think they know what's best, so let them have a bidding war. You'll end up with more if you don't distract them.

TAURUS (April 20-May 20) — Today is a 9 — There's almost too many opportunities. You could run yourself ragged if you don't plan your agenda wisely. Phone calls can work well for many of your tasks. Only save the ones that are the most fun. Why not? It's about time!

GEMINI (May 21-June 21) — Today is a 4 — Although you could do well financially, it won't be without effort. If you let your guard down for a minute, the other guy will win. Watch not only how you're spending your money, but how other people are spending your money, too.

CANCER (June 22-July 22) — Today is an 8 — You're charming, and you're right. You have the best idea, but the other person's got the best argument. So, don't argue. Just do what's required. Let your actions speak louder than the competition's barrage of words.

LEO (July 23-Aug. 22) — Today is a 4 — Your energy level's low, but it'll go up soon. Finish a job you've struggled with for days. It's an obligation, not what you'd like to be doing. Don't grumble; that makes the job more difficult. Be the good sport you basically are.

VIRGO (Aug. 23-Sept. 22) — Today is a 9 — Your energy level's high, and that's probably why you've crammed so much into your sched-

ule. Don't schedule a business meeting and a date with your sweetheart simultaneously, unless you're doing business with your sweetheart. Tonight's good for dining out.

LIBRA (Sept. 23-Oct. 22) — Today is a 5 — If your nerves are jagged, that's natural. Conditions in effect have you agitated. Your home may be in disarray, too, but that's where you should hang out tonight. No TV. Only romantic, classical music and bubble baths. And, chocolate.

SCORPIO (Oct. 23-Nov. 21) — Today is a 9 — Others want to do what you ask, so delegate. You have too many things on your list. You know a person who'd love to show off by doing the most difficult chores. So, let 'em. A discussion later can lead to an excellent decision.

SAGITTARIUS (Nov. 22-Dec. 21) — Today is a 4 — Your luck changes for the better by tomorrow, but you still have a painful decision to make. For example, say you've just been offered the lead in a new TV show, but to get the part, you have to lose 25 pounds in two weeks. Eeek!

CAPRICORN (Dec. 22-Jan. 19) — Today is an 8 — You've got the common sense, but the other person has the emotional hook. Face it; you're snagged. You may think you have to do something else, but love rules the day. Stop fighting. Even if you lose, you win. Wise up and relax.

AQUARIUS (Jan. 20-Feb. 18) — Today is a 4 — A co-worker's melodrama may make you sick to your stomach. Don't hurt the other person's feelings. That's not nice, and it could adversely affect your career. Your boss is deeply involved in the melodrama, too, so stifle.

PISCES (Feb. 19-March 20) — Today is a 9 — Everybody wants a bit of your time. You have meetings to attend, and maybe studying you should be doing. Your loved ones need you, too. A lesser person would give up, but that's not an option. Besides, what's the fun in that?
