Horoscope by Linda C. Black

TODAY'S BIRTHDAY (Jan. 10). Stash away as much as possible, just in case your team needs help. Your needs are simple, and getting simpler. You may get less than expected in February, so don't squander. Profit by doing the extra homework in March. A loved one pays back a favor in May, but not if you don't ask. Give more than you get in June; it'll come back around in October. Be generous to those with less in November. The more you give the more you get in December.
To get the advantage, check the day's rating: 10 is the easiest day, 0 the most challenging.

ARIES (March 21-April 19) — Today is a 7 — Conditions change in your favor. Expressing yourself gets easier. Friends come to you for advice. And, you come up with some excellent ideas so you can keep your sweetheart from getting jealous of the time you're spending with others.

TAURUS (April 20-May 20) — Today is a 7 — You've had a free ride the past few weeks. Now you'll have to show your research. Have the answers ready. You'll have to convince an older and a younger person that you know what you're talking about. No problem, right?

GEMINI (May 21-June 21) — Today is a 6 — Somebody at work has a firm idea about what you're supposed to do next. Don't argue. You'll lose points if you look smarter than the person who's ordering you around. Well, maybe you can't help that, even if you're quiet. Be polite.

CANCER (June 22-July 22) — Today is a 7 — That money you've wanted for may finally come, but don't talk about it. Figure out what you're going to do with it, first. Use some to pay bills, but be sure to pay your savings account first. Then, go ahead and splurge on dinner.

LEO (July 23-Aug. 22) — Today is a 7 — You feel assertive, but you could go too far. You'd like to break away from the rules and regulations, but that's not a good idea. If you stay within the lines for a little while longer, you'll advance more rapidly.

VIRGO (Aug. 23-Sept. 22) — Today is a 7 — A complicated work assignment requires your attention for the next few weeks. Don't think about how much is riding on this performance. Don't get distracted, and you'll do fine. The less you think about yourself, the easier it'll be.

LIBRA (Sept. 23-Oct. 22) — Today is a 7 — Put your influence behind a team effort, but don't put all your money into it. The team needs to come up with a good fund-raiser, instead. Put your enthusiasm and creativity into the job. That'll help more than if you max out your credit card.

SCORPIO (Oct. 23-Nov. 21) — Today is a 7 — The boss wants to know what you've been doing. This could be embarrassing if you're not prepared. Better give it some thought. You might want to jot down a few notes, too, while you're at it.

SAGITTARIUS (Nov. 22-Dec. 21) — Today is a 7 — You're eager to get away, but don't make a mistake. You can't sneak out during business hours. A fink is certain to give you away. Don't play hooky; get the job done quickly instead. Also, pay attention while you're driving.

CAPRICORN (Dec. 22-Jan. 19) — Today is a 6 — Play your cards close to your chest. If you have winnings, don't flash them around. If a friend hits you up for a loan, say no. You don't have to offer explanations. Keep it, and most everything else, to yourself.

AQUARIUS (Jan. 20-Feb. 18) — Today is a 6 — Your luck gets better. Your wit and insight sharpen, too. Don't let that entice you to center stage. Let your partner draw all the attention. Stay in the background, where you can figure out the next move. Let the other person have the applause.

PISCES (Feb. 19-March 20) — Today is a 7 — Well, it's time to get back to work. Something you've avoided is about to come due. Go through your bills, too. Get your team to help, of course. That'll make a big difference. But there is something none of them will be able to do for you.
