## Horoscope by Linda C. Black

**TODAY'S BIRTHDAY (Jan. 12).** Work takes precedence; don't complain. If you keep your nose to the grindstone, the vacation of your dreams could happen. There's too much for one person in January, even you. Keep at it and gain rewards in February. A hobby leads to new skills in March. And romance, of the old familiar kind, brings strength in May. Take care with June's paperwork; a mistake is expensive. The carrot you're after is a trip in September, or go back to school and travel in November. Spring for a new wardrobe to match the new you in December.

To get the advantage, check the day's rating: 10 is the easiest day, 0 the most challenging.

**ARIES (March 21-April 19)** — Today is a 6 — You're not lucky today, but you could get an increase in your allowance. It requires work and attention to detail. Do the job perfectly, the way you've been taught. Anticipate the worst and be prepared, and you will succeed.

**TAURUS (April 20-May 20)** — Today is a 10 — Turn down a gathering with friends tonight if it will interfere with time you've promised to a loved one. Stop and get a little gift, too. You can afford to be generous. Don't worry. What goes around comes around.

**GEMINI (May 21-June 21)** — Today is a 5 — This might be your best evening all week to clean house. Turn down an older person's request or postpone it until later. Once your place is spiffed up, you'll be able to entertain there this weekend. You'll be glad you polished the brass.

**CANCER (June 22-July 22)** — Today is an 8 — You and your mate share a common goal, but it's hard to make a connection. That's OK. You'll accomplish more if you go in different directions. Make a date to compare notes, late tonight or tomorrow.

**LEO (July 23-Aug. 22)** — Today is a 5 — An offer you received recently can help increase your income. It won't be easy, though. In fact, it may not even pencil out. Better go over the numbers carefully before you make the commitment. Remember, time is money. Get paid what you're worth.

**VIRGO (Aug. 23-Sept. 22)** — Today is a 9 — An attraction is mutual, so why not make a date for tomorrow night? Meanwhile, delight an older person by making sure a difficult assignment gets done on schedule. Others are working on it too, but they don't have your organizational skills.

**LIBRA (Sept. 23-Oct. 22)** — Today is a 5 — Details mean a lot today, so check out all of them. One may delay your travel plans if you're not careful. Take the car in to your favorite mechanic before a long trip. You don't want more of an adventure than you bargained for.

**SCORPIO (Oct. 23-Nov. 21)** — Today is an 8 — Contact friends or teammates to get the information you need so you won't have to stay out late. Staying home with a snuggler would be much more fun. If you don't have a snuggler, perhaps you'll find one on an outing with friends.

**SAGITTARIUS (Nov. 22-Dec. 21)** — Today is a 5 — A late assignment could bring in extra money. It could also lead to trouble. Somebody or something at home needs your attention. You'll have more time on Saturday if you have the flexibility. Don't delegate a personal matter.

**CAPRICORN (Dec. 22-Jan. 19)** — Today is a 9 — Confusion might delay travel plans, but you won't be stopped. Luckily, most hassles will be over with, soon. Information you've gleaned from a book or magazine will come in handy. You'll know where to go when you get to wherever you're going.

**AQUARIUS (Jan. 20-Feb. 18)** — Today is a 5 — If you're not getting a good deal as you'd like, perhaps an investigation is in order. Figure out who's getting the big bucks. Help your boss and yourself get into that peer group. There's no money shortage, remember?

**PISCES (Feb. 19-March 20)** — Today is an 8 — No point in planning a special dinner for your sweetheart tonight. Either your schedule or the other person's will get fouled up. Schedule your private time for this weekend. Either Saturday or Sunday would be better.
